

# 2013 PRESIDENTS AWARDS

*The North West Company*

customer and community values embedded in our company.

All employees are eligible to be nominated for this award and the final nominees are reviewed by an executive committee in order to reach a final decision.

Recipients of the President's Award receive a custom designed, "President's Award" and were formally recognized by The North West Company President and CEO Edward Kennedy, at a special ceremony in Winnipeg.

The NWC uses this opportunity to acknowledge individuals within our company who have demonstrated excellence over the past

The North West Company is proud to recognize and reward those outstanding individuals and teams working within our community. Each year, the President's Awards are given to dedicated employees who demonstrate

## **Leadership**

Bill Macleod, Northern Oxford House and Abraham Simon, District Manager, Inland Region, were recognized for their positive, enthusiastic and passionate commitment to Northern's values, and leadership principles.

## **Teamwork**

Northern Wunnumin Lake was recognized for their successful teamwork. The staff and management at Wunnumin Lake work cooperatively to achieve goals, while promoting team spirit, respect and celebrating success.

## **Customer Driven**

Philomene George, Northern Patuanak, was awarded for her customer driven attitude. She always works with the customer in mind, looking at all situations through the customer's eyes. Her focus is on putting the customer first by quickly and effectively responding to customer requests and concerns.

## **Merchandising**
