“We’re very pleased to be opening our second Giant Tiger all-Canadian discount store in Calgary,” said Edward Kennedy, President and CEO of The North West Company. “We have received a terrific response from Calgary shoppers ever since our first store opened in the city four years ago. We’ve waited to find the right location for a second outlet and we are confident that our new Elbow Drive Giant Tiger store will be a great addition to shopping choices in the community. We commit to bringing shoppers the same convenience and outstanding selection of food, fashion merchandise, everyday products and low prices that they have come to expect from us at our 11 other Alberta Giant Tiger stores.”

“We are all very excited about our new location in Calgary,” says Andy Gross, President of Ottawa-based Giant Tiger Stores Limited. “Customers in and around Calgary will find us to be an affordable and convenient destination for fashion clothing, groceries and everyday basic needs. Your new Giant Tiger, your all-Canadian family discount store, will be a clean, neat, bright, friendly, and fun place to shop. We have everyday low prices and great values on current fashions and footwear for the entire family. We also carry groceries, frozen food and dairy products along with great home decorating items, health and beauty products and cleaning items. Our customers tell us that shopping at Giant Tiger is like a “Treasure Hunt” because of the incredible new merchandise arriving daily and the unexpected Great Deals they find in store every time they visit,” says Gross.

Giant Tiger has a buying office in Montreal, Canada's fashion capital. Clothes to keep you dressed in style will arrive at the store every day of the year. At Giant Tiger, each store has control over the merchandise that is purchased to best suit the needs of its
