COST.U.LESS ANNOUNCES GRAND OPENING OF FLAGSHIP STORE IN HAGÂTÑA

BOCA RATON, FL, August 12, 2026 — The North West Company Inc. (“North West”) is pleased to announce the grand opening of its new flagship Cost.U.Less store in Hagåtña, Guam, scheduled for August 28, 2026. Spanning more than 50,000 square feet, the new location will be the largest Cost.U.Less store on the island, offering customers an expanded assortment of products, enhanced shopping convenience, and the exceptional value the brand is known for.

The opening marks a significant investment in Guam and reinforces Cost.U.Less' long-term commitment to serving families, businesses, and communities across the island.

“This is an exciting milestone for Cost.U.Less and for our customers in Guam,” said Kevin Proctor, President, Cost.U.Less. “Our new Hagåtña store reflects our commitment to investing in the future of the island and delivering an even better shopping experience. We look forward to welcoming customers into a modern, expanded store designed to meet their evolving needs.”

The new Hagåtña location will feature a broader selection of fresh groceries, household essentials, and general merchandise, providing customers with more choices while continuing to deliver the quality and value they expect from Cost.U.Less.

As part of this strategic realignment, the Cost.U.Less store in Tamuning will close effective August 27, 2026. Team members from the Tamuning location will continue their careers with Cost.U.Less, transitioning into roles at the company's Dededo store or the new Hagåtña location.

“We are proud that our Tamuning team will remain part of the Cost.U.Less family,” Proctor said. “Their experience, knowledge, and dedication will play an important role in the success of our new Hagåtña store and our continued service to customers throughout Guam.”

Cost.U.Less has proudly served Guam for more than three decades. While the company reflects with appreciation on the Tamuning store's 31-year history and the customers who supported it, the focus is firmly on the future and the opportunities created by the new flagship location.

“The opening of our Hagåtña store represents the next chapter for Cost.U.Less in Guam,” Proctor added. “We’re excited to provide customers with a larger, enhanced shopping experience while continuing to serve the island through both our new Hagåtña location and our Dededo store.”
