Cost-U-Less Sonora Closure

Winnipeg, Canada, February 6, 2019 – It is with regret that The North West Company announced today the closure of its Cost-U-Less Store in Sonora, California effective March 31, 2019.

“This store is no longer economically viable which resulted in the decision to close the store. These types of decisions are difficult as they impact our associates who have worked hard to serve our customers for many years,” stated Dan McConnell, President, The North West Company International. “On behalf of The North West Company and the staff and management at Cost-U-Less Sonora, we would like to thank our associates for their dedication and our customers for their support over the years.” added McConnell.
