BOCA RATON, August 6, 2021 – Cost-U-Less St. Thomas reopened for business the afternoon of Friday, August 6, following a short precautionary closure after a small number of staff members tested positive for COVID-19 over the previous weekend.

All store employees have been tested to ensure a safe return to work. During the closure, the store underwent a thorough deep cleaning and sanitization and was fully restocked with freshly-arrived inventory.

Kevin Proctor, President – Cost-U-Less states, “Temporarily closing the store was the right thing to do to ensure the safety of our staff and customers, but we’re very happy to be able to safely reopen. We’re committed to continuing our extensive in-store safety measures and doing our part to combat the spread of COVID-19 in the community.”

As they welcome back customers, the Cost-U-Less team asks that everyone respect their mandatory mask policy while in the store.
