FORWARD-LOOKING STATEMENTS

This management information circular contains forward-looking statements about The North West Company Inc. ("**North West**"), including its business operations, strategy and expected financial performance and condition. Forward-looking statements include statements that are predictive in nature, depend upon or refer to future events or conditions, or include words such as "expects", "anticipates", "plans", "believes", "estimates", "intends", "targets", "projects", "forecasts" or negative versions thereof and other similar expressions, or future or conditional future financial performance (including sales, earnings, growth rates, capital expenditures, dividends, debt levels, financial capacity, access to capital, and liquidity), ongoing business strategies or prospects, and possible future action by North West.

Forward-looking statements are based on current expectations and projections about future events and are inherently subject to, among other things, risks, uncertainties and assumptions about North West, economic factors and the retail industry in general. They are not guarantees of future performance, and actual events and results could differ materially from those expressed or implied by forward-looking statements made by North West due to, but not limited to, important factors such as general economic, political and market factors in North America and internationally, interest and foreign exchange rates, changes in accounting policies and methods used to report financial condition, including uncertainties associated with critical accounting assumptions and estimates, the effect of applying future accounting changes, business competition, technological change, changes in government regulations and legislation, changes in tax laws, unexpected judicial or regulatory proceedings, catastrophic events, North West's ability to complete strategic transactions and integrate acquisitions and North West's success in anticipating and managing the foregoing risks. The reader is cautioned that the foregoing list of important factors is not exhaustive. Other risks are outlined in the section entitled "Description of the Business — Risk Factors" in North West's Annual Information Form dated April 5, 2023, under the heading "Risk Management" in our Annual Report for the year ended January 31, 2023, and in our most recent consolidated financial statements, management information circular, material change reports and news releases.

The reader is also cautioned to consider these and other factors carefully and not place undue reliance on forward-looking statements. Other than as specifically required by applicable law, North West is under no obligation to update any forward-looking statements whether as a result of new information, future events or

otherwise. Additional information on North West can be found on SEDAR at www.sedar.com or on North West's website at www.northwest.ca.

NON-GAAP FINANCIAL MEASURES

This management information circular refers to "EBITDA", which is not a recognized financial measure under International Financial Reporting Standards. North West's method of calculating EBITDA may differ from other companies and may not be comparable to measures used by other companies. See the "Non-GAAP" measures section of North West's Annual Report for the year ended January 31, 2023, for further information.

PART I — VOTING INFORMATION

Unless stated otherwise, information contained in this Management Information Circular (the “**Circular**”) is given as of April 5, 2023.

WHAT MATTERS WILL I BE VOTING UPON?

Shareholders will be asked to vote upon the following matters:

1. to elect the directors of North West, who will serve until the next annual general meeting of shareholders;
2. to appoint PricewaterhouseCoopers LLP as external auditor, who will serve until the next annual general meeting of shareholders, and to authorize the directors to set the auditor’s compensation;
3. to consider an advisory resolution on North West’s approach to executive compensation disclosed in the Circular; and
4. to consider any other business which may be properly brought before the annual general meeting (the “**Meeting**”), and any and all adjournments thereof.

WHO CAN VOTE?

You are entitled to one vote for each North West common voting share (“**Common Voting Share**”) and North West variable voting share (“**Variable Voting Share**”) you own as of the record date (the “**Shareholder**” or “**Shareholders**”), subject to the voting restrictions and adjustments attached to the Variable Voting Shares, as discussed below under “RESTRICTIONS ON VOTING”. The Board of Directors of North West (the “**Board**” or the “**Directors**”) have set May 3, 2023, as the record date (the “**Record Date**”).

HOW DO I ATTEND AND PARTICIPATE AT THE MEETING?

North West is holding the Meeting in a virtual-only format, which will be conducted via live audio webcast. Shareholders will not be able to attend the Meeting in person. Attending the Meeting online enables Registered Shareholders (as defined below) and duly appointed proxyholders, including non-registered beneficial Shareholders who have duly appointed themselves as proxyholder, to participate at the Meeting and ask questions, all in real time. Registered Shareholders and duly appointed proxyholders can vote at the appropriate time during the Meeting.

Guests, including non-registered beneficial Shareholders who have not duly appointed themselves as proxyholder, can log in to the Meeting as set out below. Guests can listen to the Meeting but are not able to vote.

If you wish to attend and participate in the Meeting as a Registered Shareholder or duly appointed proxyholder:

- Log in online at <https://web.lumiagm.com/434747831>. It is recommended that you log in at least one hour before the Meeting starts.
- Click on “I have a control number” and then enter your control number (see below) and password “northwest2023” (case sensitive).

OR

If you wish to attend the Meeting as a guest:

- Click on “I am a guest” and then complete the online form to provide brief details (name, company and email).

Registered Shareholder: The control number will be located on the form of proxy or in the email notification you received from North West’s transfer agent, TSX Trust Company.

Duly Appointed Proxyholders: North West’s transfer agent, TSX Trust Company will provide the proxyholder with a control number by email after the proxy voting deadline has passed and the proxyholder has been duly appointed and registered as described under the heading “APPOINTMENT OF A THIRD PARTY AS A PROXY” below.

It is your responsibility to ensure internet connectivity for the duration of the Meeting and you should allow ample time to log in to the Meeting online before it begins.

REGISTERED SHAREHOLDERS

You are a registered Shareholder if your name appears on your Share certificate (a “**Registered Shareholder**”). The enclosed form of proxy indicates whether you are a Registered Shareholder. Please also see “HOW DO I VOTE IF I AM A REGISTERED SHAREHOLDER?” below.

Each Shareholder is entitled to one vote for each Common Voting Share and one vote for each Variable Voting Share (collectively with the Common Voting Shares, the “**Shares**”) registered in his, her or its name as of the Record Date. If a Shareholder sells some or all of the Shares that he, she or it owns after the Record Date, the person who purchased the Shares will become a Shareholder, but is not eligible to vote at the Meeting.

NON-REGISTERED BENEFICIAL SHAREHOLDERS

You may be a non-registered beneficial Shareholder (as opposed to a Registered Shareholder) if your Shares are held on your behalf, or for your account, by a broker, a securities dealer, a bank, a trust company or another similar entity (an “**Intermediary**”). If you are a non-registered beneficial Shareholder, your Intermediary will be the entity legally entitled to vote your Shares. In order to vote your Shares, you must carefully follow the instructions that your Intermediary

delivered to you with this Circular. Instead of completing the form of proxy that is printed on blue paper and may be enclosed with this Circular, you will likely be asked to complete and deliver a different form to your Intermediary. This form will instruct the Intermediary how to vote your Shares at the Meeting on your behalf. As a non-registered beneficial Shareholder, while you are invited to attend the Meeting, you will not be entitled to vote at the Meeting, unless you submit all required information to your Intermediary well in advance of the Meeting and carefully follow its instructions and procedures. Please also see "HOW DO I VOTE IF I AM A NON-REGISTERED BENEFICIAL SHAREHOLDER?" below.

HOW DO I VOTE IF I AM A REGISTERED SHAREHOLDER?

You can vote your Shares by proxy prior to the Meeting, or at the Meeting if you are a Registered Shareholder.

VOTING BY PROXY

Vote on the internet. Go to www.tsxtrust.com/vote-proxy and follow the instructions on the screen. You will need the control number located on the enclosed form of proxy. You do not need to return your form of proxy.

Vote using your smartphone. Scan the QR Code located on your proxy and follow the instructions on the screen. You will need the control number located on the enclosed form of proxy. You do not need to return your form of proxy.

Vote by email. Scan and email your proxy to proxylvote@tmx.com. You do not need to return your form of proxy.

Vote by fax. Fax your proxy (both sides) to 416-595-9593. You do not need to return your form of proxy.

Vote by mail. By completing, dating and signing the enclosed form of proxy and returning same in the envelope provided or send to TSX Trust Company, Attention: Proxy Department, P.O. Box 721, Agincourt, Ontario, Canada, M1S 0A1.

VOTING AT THE MEETING

Registered Shareholders and duly appointed proxyholders (including non-registered beneficial Shareholders who have duly appointed themselves as proxyholder) may vote at the Meeting by completing a ballot online through the live webcast platform during the Meeting, as further described under the heading "HOW DO I ATTEND AND PARTICIPATE AT THE MEETING?".

Guests (including non-registered beneficial Shareholders who have not duly appointed themselves as proxyholder) can log into the Meeting to listen to the Meeting, but will not be able to vote during the Meeting.

Non-registered beneficial Shareholders who have not duly appointed themselves as proxyholder will not be able to vote at the Meeting but will be able to participate as a guest. This is because North West and its transfer agent, TSX Trust Company, do

not have a record of the non-registered beneficial Shareholders of North West, and, as a result, will have no knowledge of a non-registered beneficial Shareholder's Shares or entitlement to vote, unless the non-registered beneficial Shareholder is appointed as proxyholder.

If you are a non-registered beneficial Shareholder and wish to vote at the Meeting, you must appoint yourself as proxyholder by inserting your own name in the space provided on the voting instruction form sent to you and you must follow all applicable instructions, including the deadline provided by your broker or Intermediary. See the headings "APPOINTMENT OF A THIRD PARTY AS A PROXY" and "HOW DO I ATTEND AND PARTICIPATE AT THE MEETING?".

INSTRUCTIONS FOR REGISTERED SHAREHOLDERS

The following instructions are for Registered Shareholders only. If you are a non-registered beneficial Shareholder, please follow your intermediary's instructions on how to vote your Shares and see the discussion under the heading "HOW DO I VOTE IF I AM A NON-REGISTERED BENEFICIAL SHAREHOLDER?" below.

If you are unable to attend the Meeting, or if you do not wish to personally cast your votes, you may still make your votes count by authorizing another person who will be at the Meeting to vote on your behalf. You may either tell that person how you want to vote, or let him or her choose for you. This is called voting by proxy.

What Is a Proxy?

A proxy is a document that you may sign in order to authorize another person to cast your votes for you at the Meeting. The form of proxy that is printed on blue paper and is enclosed with this Circular is a form of proxy that you may use to authorize another person to vote on your behalf at the Meeting. You may use this form of proxy to assign your votes to the Chair (or his alternate) or to any other person of your choice. You may also use any other legal form of proxy.

Appointing a Proxyholder

Your proxyholder is the person that you appoint to cast your votes at the Meeting on your behalf. You may choose the Chair (or his alternate) or any other person that you want to be your proxyholder. Please note that your proxyholder is not required to be another Shareholder. If you want to authorize the Chair (or his alternate) as your proxyholder, please leave the line near the top of the form of proxy blank, as the Chair's name (and the name of his alternate) are already pre-printed on the form. If you want to authorize another person as your proxyholder, fill in that person's name in the blank space located near the top of the enclosed form of proxy and cross out the name of the Chair and his alternate.

Your proxy authorizes the proxyholder to vote and otherwise act for you at the Meeting, including any continuation of the Meeting that may occur in the event that the Meeting is postponed or adjourned. If you return the attached form of proxy to TSX Trust Company, and have left the line for the proxyholder's name blank, then the Chair (or his alternate) will automatically become your proxyholder.

Depositing Your Proxy

To be valid, the form of proxy must be filled out, correctly signed (exactly as your name appears on the form of proxy), and returned to the transfer agent for the Shares, TSX Trust Company, by no later than 11:30 a.m. (Central Time) on June 5, 2023 (or at least 24 hours prior to the commencement of any reconvened meeting in the event of any adjournment or postponement of the Meeting). Your proxyholder may then vote on your behalf at the Meeting once they have been registered as described below under “APPOINTMENT OF A THIRD PARTY AS A PROXY”.

You may instruct your proxyholder how you want to vote on the issues listed in the Notice of Meeting by checking the appropriate boxes on the form of proxy. If you have specified on the form of proxy how you want to vote on a particular issue, then your proxyholder must cast your votes as instructed. Depending on the particular resolution, if you do not wish to vote in favour of a matter proposed at the Meeting you may, as applicable to the specific resolution, withhold your vote from, or vote your Shares against, such resolution at the Meeting. By checking **“WITHHOLD FROM VOTING”** on the form of proxy, where applicable, you will be abstaining from voting. By checking **“AGAINST”** on the form of proxy, where applicable, you will be voting against the particular resolution.

If you have NOT specified how to vote on a particular matter, your proxyholder is entitled to vote your Shares as he or she sees fit. Please note that if your form of proxy does not specify how to vote on any particular matter, and if you have authorized the Chair (or his alternate) to act as your proxyholder (by leaving the line for the proxyholder’s name blank on the form of proxy), your Shares will be voted at the Meeting as follows:

- **“FOR”** the election of the eleven nominees to the Board;
- **“FOR”** the re-appointment of PricewaterhouseCoopers LLP as auditors of North West and to authorize the Audit Committee of the Board to fix the auditors’ remuneration;
- **“FOR”** the advisory resolution on North West’s approach to executive compensation; and
- **“FOR”** management proposals generally.

For more information on these matters, please see “PART II — BUSINESS OF THE MEETING”. If any other issues properly arise at the Meeting that are not described in the Notice of Meeting, or if any amendments or variations are proposed to the matters described in the Notice of Meeting, your proxyholder is entitled to vote your Shares as he or she sees fit. The Notice of Meeting sets out all the matters to be determined at the Meeting that are known to the Directors as of April 5, 2023.

Can I Change My Vote?

If you want to change your vote or revoke your proxy after you have signed and delivered it to TSX Trust Company, you may do so by delivering another properly

executed form of proxy bearing a later date and delivering it as set out above under the heading "Depositing Your Proxy" by no later than 11:30 a.m. (Central Time) on June 5, 2023 (or at least 24 hours prior to any reconvened meeting in the event of any adjournment(s) or postponement(s) of the Meeting), or in any other manner permitted by law.

If a Shareholder has followed the process for attending and voting at the Meeting online, voting at the Meeting online will revoke such Shareholder's previous proxy. If you do not wish to revoke a previously submitted proxy, you should not vote during the Meeting.

If you revoke your proxy and do not replace it with another form of proxy that is deposited with TSX Trust Company on or before the deadline at 11:30 a.m. (Central Time) on June 5, 2023, you may still vote your own Shares at the Meeting provided you are a Registered Shareholder whose name appeared on the Shareholders' register of North West as at May 3, 2023.

HOW DO I VOTE IF I AM A NON-REGISTERED BENEFICIAL SHAREHOLDER?

The information set forth in this section is important to many Shareholders, as a substantial number of persons do not hold Shares in their own name.

Holders who do not hold their Shares in their own name ("**Beneficial Shareholders**" collectively or "**Beneficial Shareholder**" individually) should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by Shareholders whose names appear on the records maintained by or on behalf of North West as the registered holders of Shares on the Record Date. If such Shares are listed in an account statement provided to a Shareholder by a broker or other intermediary, then in almost all cases those Shares will not be registered in that holder's name on the records of North West. Such Shares will more likely be registered under the name of the holder's broker, an agent or nominee of that broker or another intermediary. In Canada, the vast majority of such Shares are typically registered under the name of CDS & Co., the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms. Shares held by brokers or their agents or nominees or another intermediary can only be voted upon the instructions of the Beneficial Shareholder. Without specific instructions, the intermediaries are prohibited from voting the Shares for their clients. North West does not know for whose benefit Shares registered in the name of CDS & Co. are held.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholder meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided to Registered Shareholders, however, its purpose is limited to instructing the Registered Shareholder how to vote on behalf of the Beneficial Shareholder. The

majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically mails a scannable voting instruction form in lieu of the form of proxy. The Beneficial Shareholder is requested to complete and return the voting instruction form to Broadridge as instructed by Broadridge. Alternatively, the Beneficial Shareholder can call a toll-free telephone number or access the internet to provide instructions regarding the voting of the Shares held by the beneficial holder. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at a meeting. A Beneficial Shareholder receiving a voting instruction form cannot use that voting instruction form to vote Shares directly at the Meeting as the voting instruction form must be returned as directed by Broadridge well in advance of the Meeting in order to have such Shares voted.

If you are a Beneficial Shareholder, you may only attend the Meeting as a proxyholder for the registered holder and vote your Shares, as applicable, in that capacity. If you wish to attend the Meeting and vote your own Shares, you must do so as proxyholder for the registered holder. To do this, you should enter your own name in the blank space on the applicable form of proxy or voting instruction form provided to you (and cross out the name of the Chair and his alternate) and return the document to your broker or other intermediary (or the agent of such broker or other intermediary) in accordance with the instructions provided by such broker or intermediary well in advance of the Meeting and carefully follow its instructions and procedures. You should then register your duly appointed proxyholder as described below under "APPOINTMENT OF A THIRD PARTY AS A PROXY".

APPOINTMENT OF A THIRD PARTY AS A PROXY

Shareholders who wish to appoint someone other than the Chair (or his alternate) as their proxyholder to attend and participate at the Meeting as their proxyholder and vote their Shares MUST submit their form of proxy or voting instruction form, as applicable, appointing that person as proxyholder and they MUST complete the additional step of registering the proxyholder by calling TSX Trust Company, as described below. Registering your proxyholder is an additional step to be completed AFTER you have submitted your form of proxy or voting instruction form. Failure to register the proxyholder will result in the proxyholder not receiving a control number, which is required to vote at the Meeting.

- Step 1: Submit your form of proxy or voting instruction form: To appoint someone other than the Chair (or his alternate) as proxyholder, insert that person's name in the blank space provided in the form of proxy or voting instruction form (if permitted) and follow the instructions for submitting such form of proxy or voting instruction form. This must be completed before registering such proxyholder, which is an additional step to be completed once you have submitted your form of proxy or voting instruction form.

If you are a non-registered beneficial Shareholder and wish to vote at the Meeting, you have to insert your own name in the space provided on the voting instruction form sent to you by your Intermediary, follow all of the applicable instructions provided by your Intermediary AND register yourself as proxyholder, as described below. By doing so, you are instructing your Intermediary to appoint you as proxyholder. It is important that you comply with the signature and return instructions provided by your Intermediary. Please also see further instructions below under the heading “HOW DO I ATTEND AND PARTICIPATE AT THE MEETING?”.

- **Step 2: Register your proxyholder:** To register a third-party proxyholder, Shareholders must contact TSX Trust Company by going to TSX Trust Company’s website to complete and submit the electronic form at <https://www.tsxtrust.com/control-number-request> or by calling 866-751-6315 (in North America) or 212-235-5754 (outside North America by 11:30 a.m. (Central Time) on June 5, 2023, or, if the Meeting is adjourned or postponed, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time and date of the adjourned or postponed Meeting, and provide TSX Trust Company with the required proxyholder contact information so that TSX Trust Company may provide the proxyholder with a control number via email. Without a control number, proxyholders will not be able to vote or ask questions at the Meeting but will be able to participate as a guest.

IS MY VOTE CONFIDENTIAL?

The transfer agent protects the confidentiality of individual Shareholder votes, except where (a) the Shareholder clearly intends to communicate his or her individual position to management; or (b) as necessary to comply with legal requirements. All proxies are considered confidential and will be returned to North West’s transfer agent, TSX Trust Company. The transfer agent will also act as the Meeting’s scrutineers and will count the proxies and tabulate and verify the results. The transfer agent will refer a proxy to North West if it has a comment or is intended for North West’s management, or in connection with the applicable legal requirements.

HOW MANY SHARES ARE ENTITLED TO VOTE?

As of April 5, 2023, the Common Voting Shares and the Variable Voting Shares are the only classes of Shares of North West outstanding which entitle holders to vote at meetings of Shareholders.

As of January 31, 2023, 30,274,509 Common Voting Shares and 15,547,257 Variable Voting Shares were outstanding. Each Shareholder is entitled to one vote per Share on all matters to be voted on at Shareholder meetings, subject to the voting restrictions and adjustments attached to the Variable Voting Shares, as discussed below under “RESTRICTIONS ON VOTING”.

A quorum is required to conduct the business of the Meeting. Two or more individuals present either holding personally or representing as proxies not less in aggregate than 25% of the outstanding Shares will constitute a quorum at the

Meeting. North West's list of Shareholders as of the Record Date will be used to deliver to Shareholders both the Notice of Meeting and this Circular, as well as to determine who is eligible to vote.

ARE THERE ANY PRINCIPAL HOLDERS OF SHARES?

As at April 5, 2023, based on publicly available filings, to the knowledge of the Board and the officers of North West, there are no principal holders of North West's voting securities.

RESTRICTIONS ON VOTING

Why does North West have Common Voting Shares and Variable Voting Shares?

North West's Articles provide restrictions with respect to subscriptions, issues, transfers or purchases of Common Voting Shares which would cause North West to cease to be "Canadian" as defined in the *Canada Transportation Act* (the "**CTA**"). The CTA requires that North West, as a corporation which holds a scheduled Canadian airline license, be Canadian; that is, controlled in fact by Canadians and that at least 51% of its voting interests be owned and controlled by Canadians. In addition, the CTA requires that no more than 25% of the voting interests of North West may be owned directly or indirectly by any single non-Canadian, either individually or in affiliation with another person, and no more than 25% of the voting interests of North West may be owned directly or indirectly by one or more non-Canadians authorized to provide an air service in any jurisdiction, either individually or in affiliation with another person.

Please note that regardless of how your Shares are held, you must complete the declaration on your form of proxy or voting instruction form regarding whether or not the Shares you represent are owned or controlled by a "Canadian" for the purposes of North West's ownership restrictions. If you do not complete such a declaration, or complete it improperly, the voting rights attached to the Shares you represent will not be counted.

Who can own or control Common Voting Shares?

Common Voting Shares may only be beneficially owned and controlled, directly or indirectly, by Canadians. Any Common Voting Share beneficially owned or controlled, directly or indirectly, by a person who is not a Canadian is automatically converted to a Variable Voting Share.

What is the voting right attached to a Common Voting Share?

Each Common Voting Share confers the right to one vote at all meetings of North West's Shareholders.

Who can own or control Variable Voting Shares?

Variable Voting Shares may only be beneficially owned or controlled, directly or indirectly, by non-Canadians. Therefore, any Variable Voting Share owned or controlled, directly or indirectly, by a person who is Canadian is automatically converted to a Common Voting Share.

What is the voting right attached to a Variable Voting Share?

Variable Voting Shares carry one vote per Variable Voting Share held, except where (i) the number of issued and outstanding Variable Voting Shares exceeds 49% of the total number of all issued and outstanding Shares or 49% of the votes that may be cast at a particular meeting, including securities convertible into such Shares and currently exercisable options and rights to acquire such Shares or such convertible securities (or any greater percentage permitted by the CTA or that the Governor in Council may specify pursuant to the CTA), (ii) any single non-Canadian, either individually or in affiliation with any other person, holds, in the aggregate, a number of Variable Voting Shares that exceeds 25% of the total number of all issued and outstanding Shares, or 25% of the number of votes that may be cast at a particular meeting, including securities convertible into such Shares and currently exercisable options and rights to acquire such Shares or such convertible securities (or any greater percentage permitted by the CTA or that the Governor in Council may specify pursuant to the CTA), or (iii) one or more non-Canadians authorized to provide air services, together with such persons in affiliation with them, hold, in the aggregate, a number of Variable Voting Shares that exceeds 25% of the total number of all issued and outstanding Shares, or 25% of the number of votes that may be cast at a particular meeting, including securities convertible into such Shares and currently exercisable options and rights to acquire such Shares or such convertible securities (or any greater percentage permitted by the CTA or that the Governor in Council may specify pursuant to the CTA). If either of the above-noted thresholds is surpassed at any time, the votes attributed to holders of Variable Voting Shares will be affected as follows:

- first, if required, a reduction of the voting rights of any single non-Canadian owner (inclusive of any single non-Canadian owner authorized to provide air service) carrying more than 25% of the votes (the “**Stage 1 Reduction**”) to ensure that such non-Canadian owners never carry more than 25% of the votes that holders of Voting Shares cast at any Meeting of Shareholders;
- second, if required and after giving effect to the Stage 1 Reduction, a further proportional reduction of the voting rights of all non-Canadian owners authorized to provide an air service to ensure that such non-Canadian owners authorized to provide an air service (the “**Stage 2 Reduction**”), in the aggregate, never carry more than 25% of the votes that holders of Voting Shares cast at any Meeting of Shareholders; and
- third, if required and after giving effect to the Stage 1 Reduction and the Stage 2 Reduction if any, a proportional reduction of the voting rights for

all non-Canadian owners as a class to ensure that non-Canadians never carry, in aggregate, more than 49% of the votes that owners of Voting Shares cast at any Meeting of Shareholders.

The constraints described above do not apply to Variable Voting Shares held by a non-Canadian by way of security only, subject to compliance with certain requirements set forth in North West's Articles, or to Variable Voting Shares held by one or more underwriters solely for the purpose of distributing the Variable Voting Shares to the public, or by any person acting in relation to the Variable Voting Shares solely in its capacity as an intermediary in the payment of funds or the delivery of securities, or both, in connection with trades in securities and that provides centralized facilities for the clearing of trades in securities.

SOLICITATION OF PROXIES

North West requests that you fill out your form of proxy to ensure your votes are cast at the Meeting. If you leave the form of proxy blank, and if you do not specify how your Shares are to be voted on particular resolutions, the Chair (or his alternate) will vote your Shares as described above under the headings "HOW DO I VOTE IF I AM A REGISTERED SHAREHOLDER? — INSTRUCTIONS FOR REGISTERED SHAREHOLDERS — Depositing Your Proxy". This solicitation of your proxy (your vote) is made by or on behalf of the Board.

North West will pay the costs related to the foregoing solicitation of your proxy. This solicitation will be made primarily by mail. Employees of North West and its subsidiaries, or representatives of TSX Trust Company, may also ask for proxies to be returned, but will not be paid any additional compensation for doing so.

HOW IS A VOTE PASSED?

The matters scheduled to be voted upon at the Meeting consist of ordinary resolutions. Ordinary resolutions are passed by a simple majority, meaning that if more than half of the votes that are cast are in favour, then the resolution passes.

WILL THERE BE ANY OTHER BUSINESS CONDUCTED AT THE MEETING?

As of April 5, 2023, management and the Directors do not know of any matters to be brought before the Meeting other than those set forth in the Notice of Meeting accompanying this Circular.

Audit-Related Fees

Audit-related fees pertain to professional services for store audit procedures, review of procedures for North West, confirmation on compliance with debt covenants, due diligence, completion of procedures required by contract and advice on new accounting standards.

PRE-APPROVAL POLICES AND PROCEDURES

As part of North West's governance structure, the Audit Committee annually reviews and approves the terms of the external auditor's engagement. To further ensure the independence of the auditors is not compromised, the Audit Committee also pre-approves all engagements of the auditors for non-audit related services in accordance with its pre-approval policy.

ELECTING OUR BOARD OF DIRECTORS

Our Articles provide that the Board may consist of a minimum of three and a maximum of thirteen Directors. The Board has determined to nominate each of the eleven persons listed below for election as a Director at the Meeting. The Board recommends that Shareholders vote **"FOR"** the election of each of the eleven nominees as Directors.

You will vote on electing the following eleven nominees to the Board:

- Brock Bulbuck
- Deepak Chopra
- Frank Coleman
- Stewart Glendinning
- Rachel Huckle
- Annalisa King
- Violet Konkle
- Steven Kroft
- Daniel McConnell

Each Director elected at the Meeting shall hold office until the close of the next annual meeting of Shareholders or until a successor has been elected or appointed in accordance with our Articles and By-laws.

North West does not contemplate that any of the nominees will be unable to serve as a Director, but if it should occur for any reason prior to the Meeting or any postponement or adjournment thereof it is intended that discretionary authority shall be exercised by the persons named in the accompanying form of proxy to vote any proxy for the election of the remaining nominees and any other person or persons in place of any nominee or nominees unable to serve.

All nominated Directors are currently Directors of North West. The Director profiles starting on page 18 of this Circular give you detailed information about each of these nominees.

ADVISORY RESOLUTION ON EXECUTIVE COMPENSATION APPROACH

The Board, through the Human Resources, Compensation and Pension Committee (the **“Compensation Committee”**), is responsible for formulating and monitoring the effectiveness of North West’s executive compensation program. In creating North West’s executive compensation program, North West is guided by the goal of aligning the interests of North West’s executives with the long-term interests of the Shareholders. Please read our report on executive compensation, starting on page 48 of this Circular. We describe our compensation philosophy, the objectives and elements of each program, and the way we measure and assess the performance and make compensation decisions. We explain how and why a large portion of our executive’s compensation is linked to performance and earned over the longer term.

You will have an opportunity to vote on our approach to executive compensation at the upcoming Meeting. Your vote is advisory and non-binding, and will provide the Board and the Compensation Committee with important feedback.

“RESOLVED on an advisory basis and not to diminish the role and responsibilities of the Board, that the Shareholders accept the approach to executive compensation disclosed in North West’s Circular delivered in advance of the 2023 annual general meeting of Shareholders.”

Approval of this resolution will require that it be passed by a majority of the votes cast by Shareholders. As this is an advisory vote, the results will not be binding on the Board. However, the Board and the Compensation Committee will consider the outcome of the vote as part of its ongoing review of North West’s executive compensation program.

At the 2022 Annual General Meeting, North West's approach to executive compensation was approved by 89.35% of the Shares voted on the advisory vote.

North West encourages Shareholders with specific concerns to contact the Board directly by writing to the Chair of the Board, 77 Main Street, Winnipeg, Manitoba, R3C 1A3.

If you return a form of proxy but do not specify how you want your Shares voted, the persons named as proxy holders will cast the votes represented by proxy at the Meeting **"FOR"** the advisory resolution.

North West will disclose the results of the advisory vote in its report on the 2023 Annual General Meeting voting results.

OTHER BUSINESS

North West will consider any other business that may properly come before the Meeting. As at the date of this Circular, we are not aware of any other business to be considered at the Meeting.

DIRECTOR DEFERRED SHARE UNIT PLAN

North West offers a deferred share unit plan for independent Directors (the “**DSU Plan**”). The purpose of the DSU Plan is to enhance the ability of North West to attract and retain independent Directors whose training, experience and ability will contribute to the effective governance of North West, and to directly align their interests with the interests of Shareholders by providing compensation for services to North West in the form of deferred share units (“**DSUs**”).

DSUs Granted prior to December 2016

For DSUs granted prior to December 2016, Directors were credited with DSUs for the amount of the annual equity retainer, and for the portion of the annual cash retainer and meeting fees each Director elected to allocate on an annual basis to the DSU Plan. Participants were credited with DSUs on a quarterly basis. The number of DSUs underlying an award was calculated on the date of grant by dividing the portion of the Director’s fees that were payable to the participant in DSUs for the current quarter, by the fair market value of the Shares on the date that the award was granted. Fair market value was determined by calculating the weighted average trading price of the Shares on the TSX for the five trading days on which the Shares traded immediately preceding such date. The grant for DSUs could not exceed \$100,000 per calendar year for any Director.

Each DSU entitles the holder to receive one Share at the time of exercise. A participant may elect at the time of exercise of any DSUs granted prior to December 2016, subject to the consent of North West, to receive an amount in cash equal to the aggregate current market value of the Shares, determined based on the closing price of the Shares on the TSX on the trading day preceding the exercise date, in consideration for the surrender by the participant to North West the right to receive Shares from the exercising of DSUs.

DSUs, which vested immediately on the grant date, can be exercised by the holder at any time after the Director resigns or retires from the Board, but no later than December 31 of the first calendar year commencing after the holder ceases to be a Director.

[The rest of this page is intentionally left blank]

DSUs Granted after December 2016

Effective December 2016, the DSU Plan was amended to change the terms of those DSUs credited to Directors for the portion of the annual cash retainer and meeting fees each Director elects to allocate on an annual basis to the DSU Plan after December 31, 2016, and now also entitles Directors to allocate on an annual basis, any Committee cash retainers to the DSU Plan (individually and collectively, the “**Cash DSUs**”). Participants are credited with Cash DSUs on a quarterly basis. The number of Cash DSUs underlying an award remains the same, and is calculated on the date of grant by dividing the portion of the Director’s fees that were payable to the participant in Cash DSUs for the current quarter, by the fair market value of the Shares on the date that the award was granted.

Under the terms of the amended DSU Plan, the holders of any DSUs granted after December 31, 2016, for the Cash DSUs are entitled to receive at the time of exercise, an amount in cash equal to the aggregate current market value of the Shares, determined based on the closing price of the Shares on the TSX on the trading day preceding the exercise date. Directors are not entitled to receive Shares for Cash DSUs at the time of exercise. There is no limit for the amount of Cash DSUs that can be granted to any Director.

Directors remain entitled to receive one Share at the time of exercise for any DSUs credited for the amount of the annual equity retainer (the “**Share DSUs**”). The grant for Share DSUs cannot exceed \$100,000 per calendar year for any Director.

The remaining terms of the original DSU Plan remain unchanged for both Cash DSUs and Share DSUs.

There were 258,689 DSUs outstanding as at January 31, 2023. See “PART III — DIRECTOR INFORMATION — DIRECTOR NOMINEES” starting on page 18 of this Circular for the number of current DSUs held by individual Directors.

DIRECTOR SHARE OWNERSHIP REQUIREMENTS

To ensure Directors are aligned with Shareholder interests, all non-management Directors of North West are required to hold Shares or DSUs at levels set by the Board. North West's share ownership requirements were reviewed in 2022 by Korn Ferry to ensure alignment with market and best governance practice. Minimum Share ownership requirement for Directors remains at three times the annual cash and equity retainer. Directors have five years from their initial appointment to the Board to comply with these minimum Share ownership requirements. The Governance Committee is scheduled to conduct its next in-depth review to assess ownership requirements in fall 2025.

CORPORATE GOVERNANCE

INTRODUCTION

The Board is committed to fulfilling its mandate to supervise the management of the business and affairs of North West with the highest standards of ethical conduct and in the best interests of the Shareholders of North West. It is focused on processes that truly matter in creating and sustaining investor value and long-term health of our enterprise. The Board has, in light of governance requirements and best practice standards in Canada, implemented a comprehensive set of governance systems and materials. In addition to the governance practices set out in National Policy 58-201 — *Corporate Governance Guidelines and National Instrument — Disclosure of Corporate Governance Practices*, North West is subject to rules of the Canadian Securities Administrators regarding both audit committees and the certification of certain annual and interim filings, and the TSX.

The responsibility of the Board is to oversee the conduct of North West's business. The Board discharges its responsibilities either directly, or through its committees. The Directors are kept informed of North West's operations at meetings of the Board and its Committees, and through reports and discussions with management. As of April 5, 2023, the Board consists of eleven Directors.

North West's corporate governance framework is supported by clearly defined roles for its Board and Committees. The Governance Committee provides direction, reviews best governance practices, monitors compliance, and makes recommendations to the Board to enhance corporate governance and Board effectiveness. The Board has approved the disclosure of corporate governance practices and structure as set out in this section.

ABOUT THE BOARD

The Board's mandate provides that the Board is responsible for the stewardship and oversight of management of North West and its business. A copy of this mandate is attached as Schedule "A" to this Circular. The Board reviews its mandate on a regular basis. The Board's principal duties include overseeing North West's business strategy and strategic planning process, succession planning, as well as approving policies, procedures and systems for implementing strategy and managing risk.

North West's Board is also responsible for North West's environmental, health and safety, and social initiatives and has delegated responsibility for oversight to the Governance and Nominating Committee and the Audit Committee. In addition to the information provided in our 2022 Annual Report under the heading "Risk Management", North West's Sustainability Roadmap is available on North West's website at www.northwest.ca.

The Board holds four regular meetings each year, as well as additional meetings as required. At each regularly scheduled meeting, the Board receives presentations from executives of North West. At the end of every regularly scheduled Board meeting, in

order to facilitate an open and candid discussion among independent Directors, a session is held without any management present, including the Chief Executive Officer.

Strategy and Risk Management

The Board oversees the development of North West's strategic direction and the implementation by management of the strategic goals. North West's strategy is an important priority of the Board, and at least one part of every regular Board meeting is dedicated to the review of North West's strategy. The Board also receives quarterly strategic updates from management and considers changes to North West's strategic direction.

North West's Board is responsible for risk oversight. The Board has approved the adoption and implementation of a formal Enterprise Risk Management framework across North West on an integrated basis. The primary goal of risk management is to ensure that the outcomes of risk-taking are consistent with North West's business activities, strategies and risk appetite. As part of the risk management framework, North West management provides the Board and the Audit Committee with regular updates on key risks.

Structure and Committees

The Board exercises its duties through its Committees. The Board has three Committees that oversee the activities of North West. The Chair of the Board is an ex-officio non-voting member of all Committees of the Board. The President and Chief Executive Officer attends Board Committee meetings as an invited guest.

Governance and Nominating Committee ("Governance Committee")

The Governance Committee is composed of six Directors, namely Stewart Glendinning (Chair), Deepak Chopra, Annalisa King, Violet Konkle, Jennefer Nepinak and Victor Tootoo, all of whom are independent as defined in National Instrument 52-110.

The Governance Committee is responsible for developing and monitoring North West's approach to corporate governance in accordance with good corporate practice and applicable laws and policies. In particular, the Governance Committee is responsible for overseeing the role, composition, and effectiveness of the Board and its Committees. In this regard, the Governance Committee is responsible for such matters as establishing and reviewing the mandate of the Board and its Committees; identifying and evaluating candidates for nomination to the Board; overseeing the orientation and education programs for the Directors; assessing the effectiveness of the Board, its Committees and individual Directors; and establishing and reviewing general corporate policies and practices, such as related party transaction policies and insider trading guidelines.

Human Resources, Compensation and Pension Committee ("Compensation Committee")

The Compensation Committee is composed of six Directors, namely Violet Konkle (Chair), Deepak Chopra, Frank Coleman, Rachel Huckle, Steven Kroft and Jennefer Nepinak, all of whom are independent as defined in National Instrument 52-110.

The Compensation Committee is responsible for ensuring that appropriate and effective human resource recruitment, development, compensation, retention, succession planning, and performance evaluation programs are developed and implemented in conformity with North West's strategic objectives, and with a view to attract and retain the best qualified executives, management and employees. See "PART IV — COMPENSATION DISCUSSION AND ANALYSIS" starting on page 48 of this Circular for the report presented this year on executive compensation.

Audit Committee

The Audit Committee is composed of six Directors, namely Annalisa King (Chair), Frank Coleman, Stewart Glendinning, Rachel Huckle, Steven Kroft and Victor Tootoo, all of whom are independent and financially literate, as those terms are defined in National Instrument 52-110.

The Audit Committee is responsible for overseeing the integrity of North West's financial statements. In this regard, the primary duties of the Audit Committee involve reviewing North West's disclosure controls and procedures, overseeing the internal controls over financial reporting, and reviewing all significant accounting policies and any proposed changes thereto.

The Audit Committee reviews and recommends to the Board the approval of North West's quarterly financial statements and the annual audited financial statements, and is responsible for recommending to the Board the appointment of the external auditors and their compensation. It is also responsible for approving the external audit plan, evaluating the external auditors' performance, assessing the independence of the external auditors, and pre-approving all non-audit related fees.

The Audit Committee oversees the internal audit function, and approves the internal audit plan and reviews internal audit reports. It is responsible for overseeing North West's processes for identifying and assessing major financial risk exposures and the steps taken to monitor and control such risks.

In-Camera Sessions

The Board and its Committees conduct "in-camera" sessions at each quarterly meeting and as required at special meetings, at which no management Directors or other members of management are present. The in-camera sessions are intended not only to encourage the Board and its Committees to fully and independently fulfil their mandates, but also to facilitate the performance of fiduciary duties and responsibilities of the Board and its Committees on behalf of the Shareholders.

Independent Board Chair

Brock Bulbuck is the Chair of the Board. Mr. Bulbuck is an independent Director as defined in National Instrument 58-101. As Chair of the Board, his responsibilities include ensuring the Board functions effectively and independently of management, and that it meets its obligations and responsibilities as set out in its mandate. The Board Chair sets the “tone” for the Board and its members to foster ethical and responsible decision making, appropriate oversight of management, and effective governance practices. The Board has developed and approved a written position description of the Chair of the Board.

Chief Executive Officer Position Description

A written position description for the Chief Executive Officer has been developed and approved by the Board. The Chief Executive Officer reports to the Board and has general supervision and control over the business and affairs of North West. The Chief Executive Officer provides effective leadership and vision for North West to grow value responsibly, in a profitable and sustainable manner. The Chief Executive Officer sets the “tone” for management to foster ethical and responsible decision making, appropriate management, and effective governance practices.

BOARD NOMINATION, COMPOSITION AND RENEWAL

Board Tenure and Term Limits

Pursuant to North West's Corporate Governance Policy, Directors are not permitted to stand for re-election after reaching the age of 70 years, unless otherwise agreed upon by the Board of Directors in connection with board succession planning and transition. At this time, the Board does not believe arbitrary term limits are appropriate, nor does it believe that Directors should expect to be re-nominated annually until they reach the normal retirement age established by the Board. The Board relies on regular formal Board, Board Committee, and Director assessments for evaluating Board members and the overall performance of the Board and its Committees. With respect to its composition, the Board strives to achieve a balance between experience, on the one hand, and the need for renewal and fresh perspectives, on the other.

The average tenure of North West's non-executive Directors is seven years. As at April 5, 2023, three non-executive Directors have served on the Board for a period of less than five years, six non-executive Directors have served for between five and ten years, and one non-executive Director has served for more than fifteen years.

Expertise and Composition of the Board

The Governance Committee annually reviews both the size and composition of the Board. In considering new nominees for the Board, the Governance Committee assesses the skill, expertise and experience of incumbent Directors in order to determine the skills, expertise and experience it should seek in new Board members to add value to the Board. The Governance Committee then makes recommendations on candidates to the Board.

North West believes a board of directors is most effective when it can draw from a variety of skills and experience. The Board looks for the following skills and experience when recruiting new Directors: corporate governance experience; retail experience; operations experience; human resources and executive compensation experience; community affairs/government relations experience; financial expertise/literacy; risk management experience; information technology experience; international experience; indigenous experience; community experience; logistics/supply chain/transportation experience; e-commerce experience; and c-level public company experience. In addition, a candidate's diversity of gender, indigenous heritage, nationality, geography, age, experience, and other attributes are considered favorably in the assessment of a candidate.

[The rest of this page is intentionally left blank]

Skills Matrix

The Board believes that it has the appropriate diversity of skill, experience and expertise on the Board required to perform effectively and to act in the best interests of North West and its Shareholders. The skills matrix set out below is used to assess the Board's overall strengths and to assist in the Board's ongoing renewal process, which balances the need for experience and knowledge of North West's business with the benefit of board renewal and diversity. Although the Directors have a breadth of experience in many areas, the skills matrix lists fourteen important qualifications determined by the Board and highlights various key skills for each Director. The matrix is not intended to be an exhaustive list of each Director's skills.

Board Diversity

North West's Corporate Governance Policy (the "**Governance Policy**") and Board Diversity Policy (the "**Diversity Policy**") are based on the belief that a board comprised of men and women representing different points of view add greater value than a board comprised of directors with similar backgrounds. The Governance Policy and the Diversity Policy both expressly encourage diversity in the composition of the Board in the broadest sense and with respect to a wide range of attributes such as diversity of gender, indigenous heritage, nationality, geography, experience, and other attributes. The Board accordingly aims to be comprised of directors who have a range of perspectives, insights and views in relation to the opportunities and issues facing North West, with an emphasis on finding the best qualified candidate given the needs and circumstances.

Although targets relating to the nomination of female directors have not been adopted to date, the Board has emphasized its commitment to the recruitment of women in recent years by making the identification of candidates who are female a key search criterion in the director selection and nomination process it has undertaken.

As of April 5, 2023, as to gender, the Board is comprised of four (36%) female Directors and seven (64%) male Directors. The Board has two Directors that are of indigenous heritage and one Director that is of Indian (South Asian) heritage. The Board has determined that, at this time, a target would not be the most effective way of ensuring it is comprised of diverse attributes and backgrounds. North West will continue to focus on encouraging diversity in the composition of the Board as a key search criterion when selecting directors.

DIVERSITY OF NORTH WEST MANAGEMENT

North West believes that a diversity of backgrounds, opinions, and perspectives and a culture of inclusion helps create a healthy and dynamic workplace, which improves overall business performance. North West also recognizes that supporting a diverse workplace is a business imperative that helps North West attract and retain the brightest and most talented individuals for its leadership team.

Specific targets or quotas for gender or other diversity representation have not been adopted for executive officer positions due to the need to consider a balance of criteria in each individual appointment. This includes the importance that appointments are made, and are perceived to be made, on the merits of the individual and the needs of North West at the relevant time. In addition, targets or quotas based on specific criteria could limit North West's ability to ensure the overall composition of its leadership team meets the needs of North West and its Shareholders. One exception is that North West is creating more targeted career paths for executive candidates of indigenous heritage.

With respect specifically to gender diversity, as of April 5, 2023, the composition is four women out of twenty (20%) total executives (as defined in National Instrument 51-102 *Continuous Disclosure Obligations*). North West has an inclusive talent-based workplace and this is reflected in the diversity of its employee base. At

more senior levels diversity continues to increase over time with year to year variability driven by strategy, structure and succession planning factors.

DIRECTOR REQUIREMENTS AND EXPECTATIONS

The Board has developed written position descriptions for individual Directors, which sets out the expectations for each Director.

Board Independence

The Board has reviewed the status of each of its Directors to determine whether such Director is “independent” as defined under National Instrument 58-101. Such review is based on the applicable factual circumstances, including financial, contractual and other relationships. Of the eleven nominee Directors, ten are independent within the meaning of National Instrument 58-101. Each of Brock Bulbuck, Deepak Chopra, Frank Coleman, Stewart Glendinning, Rachel Huckle, Annalisa King, Violet Konkle, Steven Kroft, Jennefer Nepinak and Victor Tootoo, is an independent Director. Daniel McConnell, the President and Chief Executive Officer of North West, is not independent. The independent Directors meet separately from management at all regular meetings and as necessary at special meetings.

Code of Ethical Conduct and Disclosure

The Board believes that a culture of strong corporate governance and ethical business conduct must be endorsed by the Board and all employees. The Code of Conduct (as defined below) addresses many areas of business conduct.

North West has a written code of conduct for its Directors and employees (the “**Code of Conduct**”). A copy of the Code of Conduct can be found on www.sedar.com. Management is responsible to advise the Board on any compliance issues relating to the Code of Conduct. To the knowledge of the Board, there have been no departures from the Code of Conduct during fiscal 2022 that would have required the filing of a material change report.

Each Director and employee of North West must possess and exhibit the highest degree of integrity, professionalism and values, and must never be in a conflict of interest with North West. A Director who has a conflict of interest regarding any particular matter under consideration should advise the Board, refrain from debate on the matter and abstain from any vote regarding it.

North West’s Respectful Workplace Policy provides a procedure for employees to raise concerns or questions regarding various matters, including discrimination based on gender, race, disability, ethnicity, nationality, religion, sexual orientation, and/or gender identity.

North West’s Whistleblower Policy provides a procedure for employees to raise concerns or questions regarding various matters, including any audit and accounting concerns.

North West has also adopted a Corporate Disclosure Policy which is reviewed by the Board on a regular basis. Quarterly and annual disclosure and financial packages are reviewed by the Disclosure Committee of Management prior to being recommended for Board approval and CEO/CFO certification of annual filings.

Attendance of Directors at Board and Committee Meetings

Each Director is expected to attend all meetings of the Board, and the Committees upon which they serve, and to come to such meetings fully prepared. The following table provides a summary of the Board and Board Committee meetings held during the twelve-month period ended January 31, 2023. Each Director nominee's attendance record for such meetings, as applicable, is set forth starting on page 18 of this Circular in their respective biographies. Overall, the Directors attended 97% of applicable Board and Committee meetings in fiscal 2022.

Type of Meeting Held	Number of Meetings	Attendance
Board of Directors	4	98%
Audit Committee	4	95%
Human Resources, Compensation and Pension Committee	4	95%
Governance and Nominating Committee	5	97%

Related Party Transactions and Conflicts of Interest

In the event a Director or officer has a material interest in any transaction or agreement entered into by North West, such interest must be declared and recorded. If the transaction or agreement is being considered by the Board, the Director is also required to exclude him or herself from any discussions or vote relating to such transaction or agreement.

Public Company Directorships

The Board has not implemented a formal policy which limits the number of public company directorships its Directors can hold. The Board believes that its Director evaluation program is the best method for ensuring that Directors remain accountable and continue to discharge their duties as North West Directors. The Board also monitors and is guided by industry best practices with respect to limiting the number of public company directorships each Director can hold.

The names of all other reporting issuers on which each Director of North West serves as a Director is set out in this Circular is set forth starting on page 18 of this Circular in their respective biographies.

Ms. Violet Konkle and Mr. Brock Bulbuck both sit on the Board of Directors of Boyd Group Services Inc. The Board does not believe that this relationship impacts the ability of these Directors to act in North West's best interests.

DIRECTOR DEVELOPMENT AND ASSESSMENT

New Director Orientation

North West has a formal orientation process for new Directors. Directors are required to read and become familiar with North West's various corporate policies, all Board and Committee mandates, and certain indigenous-focused background materials. Directors meet with the Corporate Secretary who provides the Director with an overview of North West's corporate structure and governance practices. Directors also meet with members of senior management, at which time senior management provides the new Director with an overview of North West's business, operations and initiatives. Directors are required to tour one or more of the major store banners during the first 18 months of their appointment. Private meetings with other Directors are encouraged to establish rapport and understand Board dynamics. A new Director may also be assigned a mentor to assist them with any issues they encounter during their first year of service.

Director Continuing Education

Directors are kept informed as to matters impacting North West's operations through reports and presentations at Board meetings. In addition, at each quarterly Board meeting, the Board receives information on the operations of North West, including a report from the Chief Executive Officer, a report on corporate development activities, a report on operations and strategic initiatives, a financial overview and other pertinent information. All executives are available for discussions with Directors concerning any questions or comments which may arise between Board meetings.

Each September the Board travels to a different store division or geographic area to visit stores and meet customers, community leaders, management and staff to better understand North West's operations in both urban and remote communities. Directors also have the opportunity to meet one-on-one with North West's executive team members and to accompany such members on store tours in order to become familiar with the communities in which North West operates.

Directors have the opportunity to participate in external director education events through North West's membership in the Institute of Corporate Directors. North West will also fund 50% of the tuition if a Director wishes to enroll in the Institute of Corporate Directors Education Program. Third parties provide presentations to the Board at Board meetings and virtual-only educational lunches. Topics during this past year included focused presentations on (i) supply chain for Cost-U-Less, (ii) the Corporation's information technology, and (iii) the history and contemporary realities of First Nations, Inuit and Metis in Canada. Directors also may elect to receive ongoing industry information through North West's membership in various industry associations such as the Retail Council of Canada. Directors may, with the consent of the Chair of the Governance Committee, engage outside advisors at the expense of North West.

Board and Director Assessment

Assessment of the Board, Board Committees and Board and Committee Chairs

The performance and effectiveness of the Board and its Committees, the Chair of the Board and individual Directors (including in their capacity as Committee members), are regularly assessed under the Governance Committee's oversight through processes that are intended to encourage candid and constructive commentary.

Each year, each Director completes an online survey of their assessment of the functioning of the Board. Directors are asked to rate the Board's performance based on criteria which address, among other things, the Board's composition and practices, relationship with management, and the oversight of North West's strategy, risk, financial reporting, and CEO performance. The executive management team is also included in the assessment process and are asked to complete a separate Board assessment survey. The annual online survey also requires each Director to assess each Board Committee. Directors are asked to rate the performance of each Committee against a set of criteria, including each Committee's composition, practices, relationship with the Board and management, and performance of its duties. The assessment of the performance of the Chair of the Board and the Chairs of each Committee are also included in the annual online survey.

The results of the evaluations are reviewed by the Chair of the Governance Committee with the Chair of the Board, and are also discussed at the meetings of the Governance Committee and the Board. The Governance Committee is also responsible for creating a plan to address any deficiency or implementing any suggestions elicited through the assessment process.

Individual Director Assessments

Peer evaluations of independent Directors are completed through an online survey every two years. Directors are asked to evaluate each other's skills, knowledge and participation on the Board. The peer evaluation is intended to ensure that each Director is contributing to the ongoing stewardship of North West. Results of the peer reviews are reviewed by the Chair of the Board, who then meets with each Director to provide feedback on the results of the survey.

COMMUNICATION WITH SHAREHOLDERS

North West is committed to transparent and effective communication with its Shareholders. In support of this commitment, the Board has developed practices to facilitate Shareholder engagement.

North West has adopted a Corporate Disclosure Policy, which is reviewed on a regular basis. Quarterly and annual financial disclosures are reviewed by an internal Disclosure Committee prior to being recommended for Board approval and CEO/CFO certification of annual and interim filings. North West's quarterly conference calls with analysts and institutional investors are accessible on a recorded basis to interested retail investors, the media and members of the public. North West includes all significant disclosure documents on its website at www.northwest.ca.

Inquiries and requests for information from Shareholders and potential investors receive prompt attention from an appropriate officer. North West's President and Chief Executive Officer and Executive Vice President and Chief Financial Officer are responsible for maintaining communications with the investing public.

North West encourages feedback from its Shareholders and engages in regular communications with financial analysts and institutional investors. North West also solicits feedback through its "Say on Pay" advisory resolution on executive compensation.

PART IV — COMPENSATION DISCUSSION AND ANALYSIS

LETTER TO OUR SHAREHOLDERS

We believe that it is important that North West clearly communicate to Shareholders our compensation plans and programs and the underlying philosophy. Compensation is used to attract, motivate, and retain outstanding talent, link compensation to business results and individual performance, and promote decision making that delivers returns to our Shareholders on a sustainable and consistent basis.

The Human Resources, Compensation and Pension Committee (the “**Compensation Committee**”) is responsible for recommending performance-based compensation awards for Board approval. We structure North West’s compensation programs to deliver the right outcomes for our Shareholders, our customers and our employees. These programs introduce a level of variability in our compensation outcomes which protect Shareholders in difficult years, and reward management in years of superior performance. We rely on specific pre-determined performance targets, benchmarks, independent advisors, and rigorous analysis, and use our experience and careful application of the Board’s business judgement when setting compensation.

At North West, we view ourselves as a total return company. Our fundamental objective is to deliver to Shareholders a strong and growing dividend, supported by consistent earnings gains. This goal is supported by North West’s compensation policies. Annual incentives are driven by how well management performs against earnings targets, adjusted for capital efficiency. Payments are reduced potentially to zero, if results are below target. Our long-term incentive plans provide equity awards which recognize the importance of dividends to our Shareholders.

2022 was the first full year for the Company’s new senior team, led by Dan McConnell. Both the Senior Team and the Compensation Committee are committed to the Committee’s mandate which includes overseeing the development, compensation and retention of Senior Management and Executives of the Company and its subsidiaries.

In 2022, under the Committee’s oversight, the management team developed the Company’s People Strategy, which recognizes compensation as an important element in the attraction and retention of talented senior leaders. In addition, the Committee has continued to review and refine the Company’s compensation-related policies such as the Executive Share Ownership Policy to ensure that North West policies are aligned with best practice. The Committee continues to work with our independent advisors to ensure that our policies and practices are aligned with our objectives of competitive, fair and performance-driven compensation.

We believe our approach to executive compensation is working as intended. In the following pages, you will find a straightforward and transparent description of our executive pay practices, and the specific corporate and individual measure of

performance that factored into North West's compensation program for 2022, and the payments NEO's received in respect of 2022 from these programs.

On behalf of the members of the Compensation Committee and the Board, we want to thank you for your continued support of North West.

Sincerely,

"Violet Konkle"

"Brock Bulbuck"

INTRODUCTION

The following Compensation Discussion and Analysis (“**CD&A**”) is intended to provide North West’s Shareholders with a description of the processes and decisions involved in the design, oversight and payout of our compensation programs for the named executive officers (“**NEOs**”) for the fiscal year ended January 31, 2023. Although the CD&A focuses on the compensation policies and practices for NEOs, these programs generally apply to North West’s entire executive team.

The NEOs during fiscal 2022 were as follows:

- Dan McConnell, President and Chief Executive Officer;
- John King, Executive Vice President and Chief Financial Officer;
- Jim Caldwell, President, Canadian Retail;
- Kyle Hill, President, Alaska Commercial Company; and
- J. Kevin Proctor, President, Cost-U-Less and Riteway Foods.

COMPENSATION GOVERNANCE

The Compensation Committee assists the Board in establishing North West’s compensation philosophy and structure, and in discharging its oversight accountabilities relating to the compensation and retention of key senior management employees, and in particular, the President and Chief Executive Officer. The Compensation Committee is comprised of six independent Directors: Violet Konkle, who serves as Chairperson, Deepak Chopra, Frank Coleman, Rachel Huckle, Steven Kroft and Jennefer Nepinak. No member of the Compensation Committee has ever been an officer or employee of North West or any of its affiliates.

All members have direct experience in compensation matters as either current or former chief executive officers, executive officers, elected government officials, retail consultants, or through board of director positions in other publicly traded companies. Additional information regarding the Compensation Committee members is provided in the individual Director biographies found in the Director Nominees section starting on page 18 of this Circular. The Chairperson of the Board also participates in all Compensation Committee meetings as an ex-officio member. Collectively, this experience provides the Compensation Committee with the knowledge, skills, experience and background in executive compensation and human resource matters to make decisions on the suitability of North West’s compensation policies and practices.

The responsibilities, powers and operation of the Compensation Committee are set out in its mandate, which is attached as Schedule “B” to this Circular.

The Compensation Committee held four meetings in fiscal 2022. The President and Chief Executive Officer, Executive Vice President and Chief Financial Officer, and Vice President, Legal and Corporate Secretary attend meetings of the Compensation Committee, but do not have the right to vote on any matter. Other senior executives may also attend parts of a meeting for presentation purposes. No executive, including the President and Chief Executive Officer, is present when their compensation is considered.

The Compensation Committee has instituted good governance practices that enhance the Compensation Committee's ability to effectively carry out its accountabilities. These practices include:

- utilizing a work plan which sets out the timetable of all regularly occurring matters for which the Compensation Committee has accountability;
- retaining an external independent advisor to advise the Compensation Committee on compensation levels and structure, and requiring their attendance when their reports are discussed and when requested to attend by the Chairperson of the Compensation Committee; and
- holding in-camera sessions without management present during every Compensation Committee meeting.

In addition, the Compensation Committee receives feedback from Shareholders on compensation matters through an annual advisory resolution on North West's approach to executive compensation.

EXECUTIVE COMPENSATION PHILOSOPHY

North West embraces an organization wide market competitive pay-for-performance compensation philosophy linked to the delivery of superior total returns to its Shareholders through a focus on both earnings growth and annual cash dividend yield. North West's total compensation objective for executives is to provide target pay that is competitive with the market median and which will deliver actual pay in the upper quartile of the market when sustainable upper quartile performance is achieved. A significant portion of each executive's compensation is also "at risk" in order to motivate executives and align their interests with the creation of long-term Shareholder value.

North West's executive compensation program is designed to accomplish the following goals:

- attract and retain top talent;
- motivate superior performance;
- align rewards to the time horizon of the position;
- focus on key performance measures that drive dividend yield and long-term value growth for Shareholders; and
- be consistent with good governance practices.

Total compensation is linked to the achievement of operational and strategic targets, and total shareholder returns compared to other public retailers and high dividend yield companies. The executive compensation philosophy is to provide a reasonable level of annual salary commensurate with the responsibilities of the executive, with all other compensation elements except benefits, subject to performance.

The following charts illustrate the portion of each NEO's target compensation that is "at risk", contingent on performance.

President and CEO

■ Base Salary 25% ■ At Risk (STIP and LTIP) 75%

All Other NEOs

■ Base Salary 42% ■ At Risk (STIP and LTIP) 58%

Compensation planning for short-term incentives ("STIP") is integrated with the annual business planning and budgeting process. STIP awards are 100% "at risk" and can payout at 0% if corporate performance is not met for the year. Annual corporate performance, business unit performance and individual performance targets for executives are set based on the overall strategic plan and business priorities. If an executive does not meet at least 85% of the performance target, no payouts are provided under the STIP. In addition, if the corporate performance achieved is less than 80% of target, the Board retains the discretion to not pay any award, even if business unit and individual performance targets were achieved by the executive for that year. See "ELEMENTS OF 2022 EXECUTIVE COMPENSATION — SHORT TERM INCENTIVE PLAN" starting on page 60 of this Circular for more details on the STIP.

Performance in the context of the long-term incentive ("LTIP") is based on value creation for its Shareholders and is designed to encourage executives to remain with North West over the long term. The components of LTIP for NEOs are shown in the following graph:

■ Options 25% ■ TSR PSU 25%
 ■ Financial Measure PSU 25% ■ Time-vesting PSU 25%

A significant portion of the long-term incentive is also "at risk". 75% of the LTIP award is performance share units ("PSUs") that vest at the end of each three-year

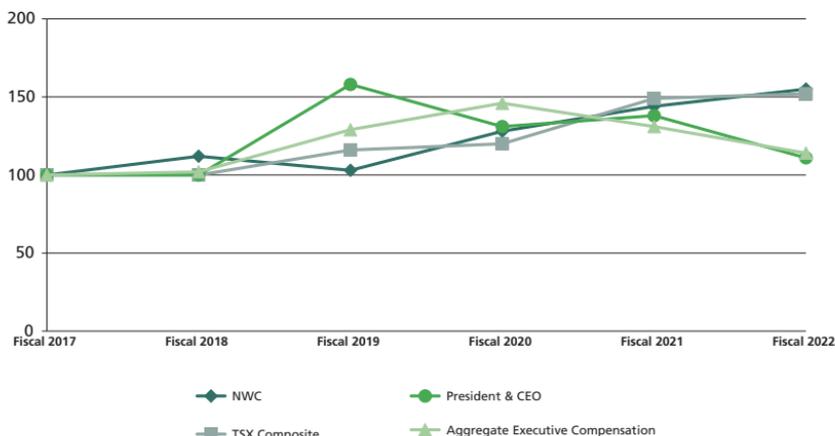

cycle. The payment of PSUs is based equally on total shareholder return relative to its comparator peer group, financial performance versus target, and time-based. 25% of the LTIP award is share options which reward share price growth. Overall, the LTIP is specifically designed to reinforce North West's performance goal of delivering superior total shareholder returns, consisting of sustainable dividends and earnings growth. See "ELEMENTS OF 2022 EXECUTIVE COMPENSATION — Performance Share Units and SHARE OPTION PLAN" starting on page 64 of this Circular for more details.

SHAREHOLDER RETURN AND EXECUTIVE COMPENSATION

Below is a comparison of the cumulative total return between North West and the TSX Composite Index for the fiscal years ended January 31, 2018 (“Fiscal 2017”), to January 31, 2023 (“Fiscal 2022”). This comparison assumes \$100 was invested on January 31, 2018, and all dividends were reinvested. The table and graph below also shows the trend in total compensation of the President and Chief Executive Officer for Fiscal 2017 to Fiscal 2022 and the total compensation of all of North West’s NEOs (“Aggregate Executive Compensation”) for the same period, and compares this compensation to North West’s return to Shareholders over this same period, as well as returns under the TSX Composite Index.

Total compensation for the purposes of this comparison includes base salary, STIP and LTIP (“Total Compensation”). To provide a consistent basis of comparison, the figures include the Total Compensation for only the top five named executive officers. The methodology used by North West has been adopted solely for the purposes of the comparison described below. It is not a recognized or prescribed methodology, and may not be comparable to methodologies used by other issuers for this purpose.

	Fiscal 2017	Fiscal 2018	Fiscal 2019	Fiscal 2020	Fiscal 2021	Fiscal 2022	1 Year Annual Return (2022-2021)	5 Year Compounded Annual Return
NWC	100	112	103	128	144	155	7.9%	9.2%
TSX Composite	100	100	116	120	149	152	1.6%	8.7%
President & CEO Compensation ⁽¹⁾	100	100	158	131	138	111		
Aggregate Executive Compensation	100	102	129	146	131	114		

Note

- (1) President and CEO Total Compensation includes Total Compensation for Mr. Kennedy up to his retirement on August 1, 2021, and Mr. McConnell’s Total Compensation as President and CEO from August 1, 2021, to January 31, 2023.

As shown in the graph and table above, over the past five-year period, North West Shares produced a compound annual return of 9.2%, compared to the TSX Composite Index return of 8.7%. The President and CEO's compensation and the Aggregate Executive Compensation have generally trended in line with the performance of the Company's Shares over the past five years however the correlation of Total Compensation to the Company's Share price can be impacted in the short-to-medium term by factors such as annual incentive plan payments and LTIP grants. The value of LTIP grants are calculated at the time of the grant using grant date fair values which do not reflect the actual value of compensation received when the LTIP vests or are exercised. In the longer-term, NEO compensation is directly impacted by North West's Share price performance through share options and PSU awards which aligns a significant portion of NEO compensation with shareholder returns. The increase in Total Compensation for the President and CEO in 2019 is substantially due to a special LTIP PSU grant pursuant to the extension of Mr. Kennedy's employment agreement. This special PSU grant combined with the translation of Mr. McConnell, President, International Retail, Total Compensation from U.S. to Canadian dollars as a result of his relocation to the Company's International Operations support office in Boca Raton, Florida were the primary factors contributing to the increase in Aggregate Executive Compensation in 2019. In 2022, Aggregate Executive Compensation decreased \$1.2 million or 13.5% to \$7.6 million compared to \$8.7 million in 2021 and as a percentage of EBIT was 4.2% in 2022 compared to 4.0% in 2021. This decrease was substantially due to lower annual incentive plan awards compared to last year. Further information on the components included in total compensation for the President and CEO and the aggregate executive compensation are provided in the "2022 PERFORMANCE AND COMPENSATION — SUMMARY COMPENSATION TABLE" on page 69 of this Circular.

North West believes that its executive compensation program supports a strong relationship between compensation earned by a NEO and the returns received by the Shareholder. It is structured to reduce the fixed cost component of compensation by paying market median salaries, while enhancing potential realizable pay through incentive plans tied to performance. For stock options and PSUs, there is a direct correlation between our Share price performance and the actual compensation realized by North West executives.

DESIGN OF COMPENSATION PROGRAM AND ROLE OF COMPENSATION CONSULTANTS

The objective of North West's compensation program is to establish a clear relationship between pay and performance. This is accomplished by an appropriate mix of short and long-term incentives, with metrics designed to reward operational performance and long-term value creation for Shareholders.

North West conducts an in-depth market review regularly to ensure base pay, incentives and total compensation is competitive and aligned with performance.

Meridian Compensation Partners Inc. ("**Meridian**") was engaged by the Compensation Committee in 2022 to provide independent advice and

recommendations on the competitiveness and design of North West’s executive compensation program, governance trends and other items requested by the Compensation Committee.

Meridian reviewed and provided advice on compensation benchmarking, the TSR Comparator Group (described below), share ownership requirements, clawback policy, compensation and governance trends and performance calibration.

The companies comprising the core comparator peer group used by the Compensation Committee in benchmarking compensation for North West executives are listed in the table below. The companies were selected by the Compensation Committee based on industry similarity and relative-size of the company and includes companies in Canada and the U.S. which is reflective of North West’s operations.

In benchmarking the total compensation for each executive compared to the peer group, factors such as individual performance, relevant experience, scope of the role, internal equity and retention risk were considered. Upon consideration of these factors, the Compensation Committee approved an increase in the base salary for executives as noted in the “ELEMENTS OF 2022 EXECUTIVE COMPENSATION — ANNUAL BASE SALARY” on page 59 of this Circular.

North West has not engaged Meridian to provide any services other than executive compensation advisory services to the Compensation Committee in 2017 through 2022. The pre-approval of the Compensation Committee is required prior to engaging Meridian to provide any other services to North West. The following presents the aggregate fees billed for executive compensation services by external independent consultants to the Compensation Committee for its fiscal years ended January 31, 2023 (“2022”), and January 31, 2022 (“2021”).

ANNUAL BASE SALARY

Base salaries are established based on the scope and complexity of the role, the executive's experience and performance. Annual increases to base salary are generally within the range applied to all employees of North West. Additional increases beyond this percentage may be made to reflect additional responsibilities, or to bring an executive's base salary within a competitive range of the median of the comparator market compensation data.

Consistent with North West's approach to salary increases described above, the following base salaries were approved by the Board in 2022 and became effective in May 2022.

NEO	2022 Base Salary (\$)	2021 Base Salary (\$)	Base Salary Increase (%)
Dan McConnell, President and Chief Executive Officer ⁽¹⁾	745,000	700,000	6.4
John King, Executive Vice President and Chief Financial Officer	470,730	461,500	2.0

Kyle Hill, President, Alaska Commercial Company ⁽³⁾	438,121	407,095	7.6

SHORT TERM INCENTIVE PLAN (“STIP”)

The STIP consists of an annual cash payment based on achievement of financial, operational and strategic/individual performance initiatives and targets set by the Board on an annual basis. The Compensation Committee receives quarterly reports on the performance of the STIP metrics, including performance against targets. Target STIP awards are set as a percentage of each NEO’s base salary summarized in the following table:

NEO	STIP Design (STIP Target as a % of Base Salary)
President & CEO	90%
All other NEOs	60%

In 2022, the performance outcomes required to achieve threshold and maximum payouts under the STIP were changed from 90% and 110% of target STIP earnings to 85% and 115% respectively. The Broader payout curve reflects uncertainty in a post-COVID environment combined with supply chain disruptions and the impact of higher inflation. In 2023, the payout curve will revert back to 90% and 110% of target. The payout curve for STIP performance relative to target STIP earnings for the NEOs is as follows:

NEO	Less than 85% of Target STIP Performance⁽²⁾	85% of Target STIP Performance (Threshold)	Target STIP Performance	115% of Target STIP Performance (Maximum)
All NEOs ⁽¹⁾	0%	50%	100%	200%

Notes

- (1) Linear curve between threshold and target performance and target and maximum performance, starting at 50% when STIP performance achieves 85% of target.
- (2) If the corporate performance achieved is less than 80% of target for the year, the Board retains the discretion to not pay any award, even if business unit and individual performance targets were achieved by the executive for that year.

[The rest of this page is intentionally left blank]

The STIP weightings for each NEO for 2022 are broken down between the following measures:

NEO	Consolidated			Total
	STIP Earnings ⁽¹⁾	Business Unit/ Performance ⁽²⁾	Individual Performance ⁽³⁾	
Dan McConnell, President and Chief Executive Officer	75%	–	25%	100%
John King, Executive Vice President and Chief Financial Officer	60%	15%	25%	100%

Notes

- (1) Corporate Performance: Earnings, before interest and income tax (“EBIT”) adjusted for cost of capital and other normalizing factors. If the maximum STIP weightings for Business Unit Performance or Individual Performance are not applied to any NEO in any given year, the unallocated balance must be applied to Consolidated STIP Earnings.
- (2) Business Unit Performance: earnings-based performance measures including EBIT adjusted for cost of capital and other normalizing factors of the business unit.
- (3) Individual Performance: initiatives and performance measures unique to function and aligned with corporate or business unit objectives.

Refer to the “2022 PERFORMANCE AND COMPENSATION — 2022 STIP Awards” on page 72 of this Circular for actual STIP awards earned by each NEO for 2022 performance.

LONG TERM INCENTIVE PLAN (“LTIP”)

The LTIP is designed to motivate and reward executives to deliver total returns based on growth in share price and dividends, and recognize consistent achievement against operational and strategic targets and North West’s total returns compared to the TSR Comparator Group described below.

[The rest of this page is intentionally left blank]

Target LTIP awards for each NEO, expressed as a percentage of base salary, are as follows:

NEO/Position	LTIP (as a % of Base Salary)
Dan McConnell, President and Chief Executive Officer	215%
John King, Executive Vice President and Chief Financial Officer	80%
Jim Caldwell, President, Canadian Retail	80%
Kyle Hill, President, Alaska Commercial Company	80%
J. Kevin Proctor, President, Cost-U-Less and Riteway Foods	80%

Performance Share Units (“PSUs”)

The payment of PSUs at the end of each three-year vesting cycle is based on three criteria as follows:

1. Operating: $\frac{1}{3}$ of each PSU grant is based on actual earnings performance relative to target earnings set annually each year for the three-year performance period;
2. Relative TSR: $\frac{1}{3}$ of each PSU grant is based on total shareholder return (“TSR”) relative to a defined peer group for the three-year period; and
3. Time-vesting: $\frac{1}{3}$ of each PSU grant is time based. All awards fully vest at the end of the third year of the performance cycle.

In 2022, one-third of PSUs were measured based on annual operating performance comprised of consolidated earnings and/or Strategic Business Unit earnings targets over the three-year vesting period. North West set three one-year earnings targets given the challenges of setting longer-term goals during and immediately following the pandemic. The Compensation Committee completed a review of its PSU design and effective in 2023, one-third of PSUs will be measured based on a three-year earnings target.

The operating portion of the PSU award is interpolated as follows for each NEO:

0% of Target PSU below Threshold	50% of Target PSU at Threshold ⁽¹⁾	100% of Target PSU at Target Performance ⁽¹⁾	200% of Target PSU at Maximum Performance ⁽¹⁾
Less than 85% of three-year Earnings Performance	85% of three- year Earnings Performance	100% of three-year Earnings Performance	105% of three-year Earnings Performance

Note

- (1) PSU payout is interpolated between threshold and target performance, and between target and maximum performance.

The following TSR comparator group, which includes 12 retail industry peers based on correlation and business similarity and nine “high yield” peers (collectively, the “**TSR Comparator Group**”), was used to determine North West’s relative TSR for the PSUs granted in 2020-2022.

Retail Peers		High Yield Peers
A&W Revenue Royalties	Dollarama Inc.	Apollo Commercial Real Estate
Alimentation Couche-Tard Inc.	Empire Company	BCE Inc.
Boston Pizza Royalties	Loblaw Companies Ltd.	Emera Incorporated
Canadian Tire Corporation	Metro Inc.	First Capital Realty Inc.
Cineplex Inc.	Pizza Royalty Corp.	Fortis Inc.
Costco Wholesale Corp.	Wal-Mart Stores Inc.	Innergex Renewable Energy Inc.
		Sienna Senior Living Inc.
		Superior Plus Corp.
		Thompson Reuters Corporation

The relative TSR portion of the PSU award is interpolated as follows for NEOs:

0% of Target PSU below Threshold	50% of Target PSU at Threshold	100% of Target PSU at Target Performance	200% of Target PSU at Maximum Performance
Less than 25th percentile of TSR Group based on three-year annualized TSR ⁽¹⁾	25th percentile of TSR Group based on three-year annualized TSR ⁽¹⁾	50th percentile of TSR Group based on three-year annualized TSR ⁽¹⁾	75th percentile of TSR Group based on three-year annualized TSR ⁽¹⁾

Note

(1) Payout starts after North West’s historical three-year performance reaches the 25th percentile of the TSR Group, and increases on a linear basis to a maximum of 200% when North West’s historical three-year performance reaches the 75th percentile of the TSR Group.

The Compensation Committee retains the discretion to add entities to the TSR Comparator Group to replace any entities that are delisted as a publicly traded issuer, or are for other reasons no longer an appropriate entity to be included in the TSR Comparator Group.

The vesting period for PSUs is three years, and dividend equivalents accumulate over the three-year period. Dividend equivalents vest at the time the PSUs vest and to the same extent as the performance criteria for the PSUs are achieved.

Refer to “2022 PERFORMANCE AND COMPENSATION — SUMMARY COMPENSATION TABLE” starting on page 69 of this Circular for information on actual PSU awards granted to each NEO in 2022 and for amounts paid out under existing PSU grants in 2022.

SHARE OPTION PLAN

The delivery of top-quartile total returns through earnings growth and dividend yield is a key long-term objective of North West. In June 2011, the Shareholders approved an Amended and Restated Option Plan to include a partially declining strike price option for Canadian executives with a seven-year term as well as Standard Options. This feature was added to recognize that a significant portion of North West's long-term total return to Shareholders will continue to depend on its dividend performance in addition to growth, and that this element should accordingly be part of the long-term incentive award to North West executives. Apart from this feature, the purpose of this Amended and Restated Option Plan is similar to that of the Original Option Plan, namely:

- fostering greater alignment of interests between participating executives of North West and Shareholders, by providing a long-term incentive vehicle that allows them to accumulate a meaningful financial interest in North West, commensurate with the responsibility, time horizon of the role, commitment and risk associated with their role; and
- assisting North West in attracting, retaining, and motivating qualified individuals with the experience and ability to deliver strong results and support their business strategy.

Under this plan, a plan participant who is not subject to income taxes in the United States is entitled to elect at the time of exercise of the option, either: a) an option with an exercise price set on the grant date (the "**Standard Option**"); or b) an option to acquire the same number of Shares that may be acquired pursuant, and on the identical terms and conditions, to the corresponding Standard Option, except the exercise price for this option will be calculated by deducting from the exercise price applicable to the corresponding Standard Option, the portion of the dividends paid that exceed the hurdle rate set by the Board on an annual basis at the time of the grant (the "**Partially Declining Exercise Price Option**"). Under the current *Income Tax Act (Canada)* ("**ITA**"), the plan participant will pay tax on one-half of the "in the money amount" at the time of exercise if he or she elects the Standard Option, and will pay tax on the full "in the money amount" at the time of exercise if he or she elects the Partially Declining Exercise Price Option. Employees that are subject to income taxes in the United States are only entitled to receive Standard Options.

The exercise price for all options granted under the Partially Declining Exercise Price Option is calculated by deducting from the exercise price applicable to the Standard Option, the portion of all quarterly dividends paid, on a per Share basis, that exceed a dividend yield of 2% for North West.

The compensation review completed by Meridian in 2017 identified the declining strike price option as an uncommon LTIP vehicle based on both peers and the broader market. Beginning with the 2018 grant, the weighting to stock options was reduced to 25% and all option grants are Standard Options with no option to elect a declining strike price option at time of exercise. The options are time-vested awards that vest one quarter per year at the end of years one, two, three and four, with expiry of

options at the end of year seven. The purpose of this plan is to promote long-term shareholder value creation by fostering greater alignment of interests between the executives and Shareholders of North West.

Refer to “2022 PERFORMANCE AND COMPENSATION — SUMMARY COMPENSATION TABLE — OUTSTANDING EQUITY BASED AWARDS” starting on page 79 of this Circular for information on actual LTIP awards granted to each NEO in 2022.

OTHER ELEMENTS OF 2022 COMPENSATION

Benefits

Executives are eligible to receive benefits which include medical and dental insurance, life insurance, accidental death insurance, short-term disability insurance and long-term disability insurance. In addition, executives are eligible for an annual executive wellness assessment designed for health awareness and preventive care. In lieu of executive perquisites such as company cars, memberships, financial counselling and tax preparation, senior executives of North West receive a benefit payable in cash equal to 10% of base salary.

Pension Plans

Eligible executives in Canada participate in a non-contributory Defined Benefit Pension Plan (“**Executive Pension Plan**”), subject to ITA limits, where the normal retirement age is set at age 65. The annual benefit payable upon retirement is based on a range of 1.4% to 1.7% per year of service as an executive, of the final average earnings (base salary and STIP) prior to retirement (based on highest three consecutive years of annual earnings in the ten-year period preceding retirement). Upon death, reduced payments continue to the spouse, if applicable. Executives may elect to contribute to the plan to provide for ancillary benefits. For retirement prior to 65 years of age, the total benefit payable is reduced by 3% per year prior to age 65. Alternatively, for retirement prior to age 65, the Board has the discretion to reduce the total benefit payable by 3% per year prior to age 60 if the member is at least age 55 and has ten years of service as a specified executive of North West at the time of retirement. Benefits in excess of ITA limits for service in the Executive Pension Plan are provided by a separate non-registered pension plan called the “**Excess Plan**”.

Some NEOs may also have accumulated a pension obligation for service as a non-executive in the defined benefit provision of North West’s registered Staff Pension Plan, which is subject to ITA limits. A non-contributory Staff Pension Plan defined benefit member receives a benefit of 0.7% of average pensionable earnings up to the average Yearly Maximum Pension Earnings (“**YMPE**”) plus 1.05% of their average earnings in excess of the average YMPE.

Effective January 1, 2022, the Executive Pension Plan was closed to new members. New Canadian-based executives participate in the defined contribution provision of the registered Staff Pension Plan for eligible Canadian employees. The defined contribution provision of the Staff Pension Plan is a non-contributory pension plan whereby North West makes contributions based on a percentage of pensionable

earnings. Pensionable earnings is comprised of base salary and STIP. The contribution percentage is determined using a points system based on the member's age and years of membership in the pension plan as set out in the following table:

Age + Years of Pension Plan Membership	Contribution (as a % of Pensionable Earnings)
Less than 50 points	2.0%
50 – 54 points	5.0%
55 – 59 points	6.0%
60 or greater	7.5%

Contributions in excess of ITA limits for service in the defined contribution provision of the Staff Pension Plan are provided by a separate non-registered unfunded pension plan called the ("**Supplemental Employee Retirement Plan**" or "**SERP**").

Executives in North West's International division have the option to participate in North West's International 401(k) Plan, a defined contribution plan qualified under sections 401(a) and 401(k) of the Internal Revenue Code. Eligible employees may elect to contribute a portion of their salary to the plan, and North West provides 100% matching contributions on the employee's first 3% of contributions and 50% matching on the next 2% of contributions where North West's maximum match is 4%.

See "2022 PERFORMANCE AND COMPENSATION — SUMMARY COMPENSATION TABLE — Pension Benefits" on page 77 of this Circular for additional information regarding the value of these pension benefits.

Employee Share Ownership Plan

Executives are entitled to participate in North West's Employee Share Ownership Plan ("**EOP Plan**"). Under the EOP Plan, North West contributes \$1 for every \$3 contributed by the employee for the purchase of North West Shares, subject to a maximum contribution by North West equal to 2% of the employee's base salary. North West pays all normal administrative costs, including broker's commissions on Share purchases.

Executive Deferred Share Unit Plan

The Company has an Executive Deferred Share Unit Plan (the "**Executive DSU Plan**"), under which all executives are eligible to convert their annual STIP award into DSUs. The Executive DSU Plan is designed to directly align executive's interests with the long-term interests of Shareholders by encouraging financial commitment to North West through DSUs.

Elections to participate in the Executive DSU Plan must be made by an executive prior to December 31 of the calendar year immediately prior to the performance year to which the annual STIP award relates. For example, an election by an executive officer

to defer a portion of their approved STIP award for the 2023 fiscal year of North West, must have been made prior to December 31, 2022. Such elections, once made, are irrevocable. An account (a “**DSU Account**”), is maintained by North West for each executive participating in the Executive DSU Plan, and will be credited with the executive’s award of DSUs from time to time as well as the date and price at which DSUs were granted. Except with the prior approval of the Board, the maximum number of DSUs which are permitted to be credited to an executive’s DSU Account (prior to any adjustments for dividends), shall not exceed:

- (a) for an executive, whose minimum share ownership requirements are one times his or her base salary, 50% of the executive’s base salary in value based on the fair market value of the Shares underlying the DSUs at the original award date; and
- (b) for an executive, whose minimum share ownership requirements are two or more times his or her base salary, 100% of the executive’s base salary in value based on the fair market value of the Shares underlying the DSUs at the original award date.

Participants are credited with DSUs at the time the annual STIP award is paid. The number of DSUs underlying an award is calculated on the date of grant by dividing the portion of the STIP award that is payable to the participant in DSUs by the fair market value of the Shares on the date that the award is granted. Fair market value is determined by calculating the weighted average trading price of the Shares on the TSX for the five trading days on which the Shares traded immediately preceding such date.

DSUs credited to an executive vest immediately and are payable in cash only following the cessation of employment with North West. DSUs attract dividend equivalents as dividends are declared and approved by the Board to be payable on Shares. DSU holdings of North West executive officers are included in their respective equity ownership levels for purposes of share ownership requirements discussed in this Circular.

There were no DSUs granted in 2022. See “PART IV — COMPENSATION DISCUSSION AND ANALYSIS — SHARE OWNERSHIP GUIDELINES” on page 80 of this Circular for more details.

RISK MANAGEMENT

Through the combination of short and long-term incentives, North West’s executive compensation program provides for a significant portion of each executive’s compensation to be “at risk”. Consequently, it is important that these incentives do not provide an incentive to North West’s executives to achieve financial, operational or strategic objectives by taking excessive or unexpected risks. North West believes that its compensation policies and practices provide balanced incentives that are aligned with our business strategy and longer term shareholder value creation.

As required by its mandate, the Compensation Committee regularly reviews and ensures its executive compensation plan through its design, structure and

application, has a clear link between pay and performance and does not encourage excessive risk taking. Key areas of risk management include the following measures:

- the compensation program is designed to compensate all executives based on the same or substantially equivalent performance goals and is consistent with North West's compensation philosophy;
- there is a balance between short-term performance incentives and equity based awards that vest over time;
- the short-term and long-term incentive plan's performance goals have minimum thresholds and maximum caps. Actual results are measured against pre-approved metrics that are defined at the beginning of the fiscal year, and are substantially linked to North West's financial performance;
- North West's Share ownership guidelines require executives to own, directly or indirectly, Shares valued at a pre-defined percentage of their base salary; and
- equity is awarded annually with overlapping vesting periods which ensures that executives are exposed to long-term consequences of their decisions through unvested equity awards.

EXECUTIVE COMPENSATION CLAWBACK POLICY

North West's clawback policy is applicable to STIP and LTIP awards. The clawback provision is triggered at the discretion of the Compensation Committee upon (i) any misstatement in, or restatement of, North West's financial statements, or (ii) any act of mistake, negligence, gross negligence, fraud or intentional misconduct by an executive or former executive, whereby the incentive compensation actually paid or awarded would have been lower had the financial results been correctly reported.

HEDGING AND SPECULATIVE TRADING PROHIBITION

North West's share trading restrictions prohibit employees, officers and Directors from purchasing or selling North West Shares for short-term speculative purposes, from engaging in short selling of or trading in options in securities of North West. Employees, officers and Directors are also prohibited from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by employees.

Notes

- (1) Additional information on base salary is provided in "ELEMENTS OF 2022 EXECUTIVE COMPENSATION — ANNUAL BASE SALARY" on page 59 of this Circular.
- (2) Represents the grant value of the PSUs when granted. The grant value of a PSU award assumes vesting at 100% of Target. The grant value is the fair value of the PSU award for the fiscal year under North West's PSU plan multiplied by the number of Shares granted. The fair market value at the grant date was calculated by using the volume weighted average closing market price for the five days prior to February 1 of the grant year. The total PSUs granted in 2020, 2021 and 2022 to each NEO are summarized below. The PSUs granted in 2020 vested on January 31, 2023.

[The rest of this page is intentionally left blank]

NEO	2020 PSU Grant	2021 PSU Grant	2022 PSU Grant
Dan McConnell	10,665	20,058	34,932
John King	9,977	8,491	8,213
Jim Caldwell	–	2,521	7,118
Kyle Hill	6,364	5,730	5,840
J. Kevin Proctor	–	4,240	5,840

- (3) These amounts reflect the grant value of the options when granted. The grant date fair value of stock options is calculated by Meridian using the Black-Scholes methodology. On advice from Meridian, North West has chosen to use the Black-Scholes model as the methodology for calculating the fair value of the options granted as this methodology is commonly used by issuers. The Black-Scholes fair value factor was multiplied by the volume weighted average closing price of the Shares on the TSX for the five trading days immediately preceding the grant date and divided by the target compensation for each NEO to calculate the number of options to grant to each eligible participant. See “OUTSTANDING EQUITY BASED AWARDS” on page 79 of this Circular for details.
- (4) Represents the dollar value of all amounts earned for services performed during the fiscal year that are related to awards under non-equity incentive plans and all earnings on any such outstanding awards. See annual STIP Awards on page 72 of this Circular for details.
- (5) See table called “Pension Benefits” for details.
- (6) See table called “All Other Compensation” for details.
- (7) Mr. McConnell was appointed President and Chief Executive Officer on August 1, 2021. Prior to his appointment as President and Chief Executive Officer, Mr. McConnell was President, International Retail. Mr. McConnell’s compensation in 2021 is based on the time he spent in each role. Prior to August 1, 2021, Mr. McConnell was located in Boca Raton, Florida and his compensation was translated from U.S. dollars to Canadian dollars using an average rate of 1.2526 in 2021 and 1.3390 in 2020. Notes

- (1) The value of the option-based awards which vested during the fiscal year ended January 31, 2023 was calculated based on the fair value of the option as determined by the closing price of North West's Shares on the TSX at January 31, 2023, and the option strike price as follows:
 - (a) 2017 grant — \$8.17 value per option based on the difference between the fair value of the option as at January 31, 2023, of \$36.24 and the declining strike price of \$28.07.
 - (b) 2018 grant — \$8.47 value per option based on the difference between the fair value of the option as at January 31, 2023, of \$36.24 and the strike price of \$27.77.
 - (c) 2019 grant — \$8.11 value per option based on the difference between the fair value of the option as at January 31, 2023, of \$36.24 and the strike price of \$28.13.
 - (d) 2020 grant — \$7.01 value per option based on the difference between the fair value of the option as at January 31, 2023, of \$36.24 and the strike price of \$29.23.
 - (e) 2021 grant — \$0.73 value per option based on the difference between the fair value of the option as at January 31, 2023, of \$36.24 and the strike price of \$35.51.
- (2) Represents the pre-tax amount received by each NEO from options exercised during the fiscal year ended January 31, 2023.
- (3) The value of the Share-based awards that vested during the year was calculated by multiplying the number of PSUs that vested by \$36.19, which is the fair market value of North West Shares at January 31, 2023. Fair market value was calculated by using the volume weighted average closing price of the Shares on the TSX for the five trading days immediately preceding the vesting date of February 1, 2023. The value also includes the equivalent of dividends earned up to January 31, 2023, on vested PSUs.
- (4) Please refer to "2022 PERFORMANCE AND COMPENSATION — 2022 STIP Awards" on page 72 of this Circular for information on the calculation of the STIP awards.

2022 STIP Awards

The following chart summarizes North West's performance against the STIP targets set for each of the NEOs for the 2022 fiscal year. The weighting of each initiative varies by each NEO.

North West does not provide further details about these measures as the STIP targets and objectives are aligned with North West's main priorities, and constitute targets and ongoing projects which are confidential and highly strategic, the disclosure of which could seriously jeopardize their completion. Please refer to the "Strategies" section in North West's 2022 Annual Report for more details on these initiatives, which can be found at www.northwest.ca or at www.sedar.com.

Notes

- (1) See “ELEMENTS OF 2022 EXECUTIVE COMPENSATION — Performance Share Units” on page 62 of this Circular for further details on the methodology used to calculate the number of PSUs that vested.
- (2) TSR relative performance was calculated by Meridian, and represents the data point that is higher than 77% of all other data in the sample when ranked from low to high.
- (3) The value of the PSU awards was calculated by multiplying the number of PSUs that vested by \$36.19, which is the fair market value of North West Shares. Fair market value was calculated by using the volume weighted average closing price of the Shares on the TSX for the five trading days immediately preceding the vesting date. The value also includes the equivalent of dividends earned up to January 31, 2023 on vested PSUs. The value of the PSU payment for Mr. McConnell and Mr. Hill was translated to Canadian dollars using an average rate of 1.3088.

Notes

- Pensionable earnings are determined on a calendar-year basis, and include base salary and STIP. The defined benefit obligation under the defined benefit pension plan are calculated by North West’s independent actuaries based on the same valuation method and significant assumptions used in determining the defined benefit obligations as disclosed in the notes to North West’s audited Consolidated Financial Statements for the year-ended January 31, 2023. The underlying assumption used by the actuary is a 4% annual increase in pensionable earnings. Pensionable earnings in excess of 4% are allocated into the compensatory amount which comprises the defined benefit obligation as shown in this table (the reverse also applies in the event pensionable earnings grow less than 4%, which results in a negative amount for the year). The year-end defined benefit obligation is determined by projecting the previous calendar year pensionable earnings to retirement age for each NEO. The actuary determines the highest three consecutive years of pensionable earnings to determine the accrued pension and obligation. In most situations, this is the last or final three years.
- Values include 6.17 years of Staff Pension Plan service for Mr. McConnell and 9.92 years of Staff Pension Plan service for Mr. King. The actuary determines the highest five consecutive year average earnings in the ten years prior to the end of employment to determine the accrued pension and obligation for the Staff Pension plan.
- Mr. Hill was appointed President, Alaska Commercial Company in August 2021 and ceased accruing benefits in the Executive Pension Plan and Excess Plan.

Notes

- (1) Unexercised options granted in 2017 and prior are time-vested awards that vest one-third per year at the end of years three, four and five. Options granted in 2018 onward are time-vested awards that vest one-quarter per year at the end of years one, two, three and four.
- (2) The market value of all unexercised in-the-money standard options granted in 2018 and onward, are calculated based on the difference between \$36.24, the closing price of a common Share on January 31, 2023, and the option exercise price noted in the above table. The market value of unexercised in-the-money declining strike price options for Canadian NEOs granted in 2017 are calculated based on the difference between \$36.24, the closing price of a common Share on January 31, 2023, and the declining strike price of \$28.07 for 2017. A rolling 365 day volume weighted average yield calculation was used for the calculation of the revised strike price. The portion of all quarterly dividends paid since the 2017 grants, on a per Share basis, that exceed a dividend yield of 2% for North West, is deducted from the strike price.
- (3) Includes the number of unvested PSUs outstanding as at January 31, 2023.

- (4) The market value of the unvested Share-based awards is calculated by multiplying the portion of the outstanding PSUs which are time-based (one-third of the PSU grants for 2021 and 2022) granted to the NEO by the fair market value of the Shares as at February 1, 2023 (\$36.19). Fair market value is calculated based on the volume weighted average closing price of the Shares on the TSX for the five trading days immediately preceding February 1, 2023. The two-third portion of the outstanding PSU grants for 2021 and 2022 which are subject to performance conditions are valued at the fair market value of the Shares as at February 1, 2023 (\$36.19) based on the achievement of target performance. The final amounts in the table include dividends earned up to January 31, 2023, on granted PSUs. No assumption is made for future dividends.
- (5) Includes the PSUs granted in 2020 that vested on January 31, 2023, plus all other outstanding vested PSUs multiplied by \$36.19 which is the fair market value of North West shares calculated based on the volume weighted average closing price of the Shares on the TSX for the five trading days immediately preceding the vesting date.

SHARE OWNERSHIP GUIDELINES

The Board established a Share Ownership Policy outlining the minimum levels of Share ownership required for all executives. The policy is designed to align the interests of those executives with the interests of Shareholders, to demonstrate financial commitment to North West through personal Share ownership, and to promote North West's long-term commitment to sound corporate governance.

In 2022, following a comprehensive market review conducted by Meridian, the Compensation Committee adopted the following changes to the Share Ownership Policy, to increase alignment with market practice: (i) increasing the CEO's shareholding requirement from 4x to 5x base salary; (ii) reducing the quantum of after-tax PSUs and options required to be used to purchase shares to 50%, for executives that have not met the requirement; and (iii) including unvested performance-based PSUs at threshold performance in the definition of "Shares".

As discussed above, under the revised Share Ownership Policy, the following are included as "Shares" for the purposes of determining the Share ownership level for each executive:

- all Shares owned by the executive, an executive's spouse and any dependent children living in the same household (either purchased through the open market or those obtained from North West treasury through the exercise of stock options);
- unvested time-based PSUs;
- unvested performance-based PSUs at threshold performance level;
- vested PSUs; and
- vested DSUs.

[The rest of this page is intentionally left blank]

Once an executive achieves the guidelines, if the Share price declines and the market value of the Shares held drops below the minimum, as long as the executive holds the minimum number of Shares (at peak price) going forward, the executive is considered to be in compliance with the guidelines.

Executives are required to maintain ownership levels that meet or exceed the guidelines within five years of being appointed or promoted to their current position. An executive that is promoted will have a further five years from the date of his/her promotion to attain the Share ownership multiple required for their new position.

North West believes that given the short and long-term incentive programs in place for executives, that there are sufficient mechanisms available to assist an executive to reach required ownership levels. Executives who are subject to this policy are required to abide by the following until their minimum Share ownership requirement is met:

- convert 50% of after-tax performance share units into Shares;
- purchase or hold Shares equivalent to 50% of the after-tax value of any stock options exercised by the Executive; and
- fully participate in North West's Employee Share Ownership Plan.

The table below shows the market value of Shares held by each of the NEOs as of January 31, 2023, based on the closing price of North West on the TSX on January 31, 2023, and the actual ownership as a multiple of their respective base salary.

NEO	Market Value of Shares (\$) ⁽¹⁾	Net Ownership as a multiple of Base Salary	Minimum Ownership as a multiple of Salary

Kyle Hill	919,646	2.7	2.0
J. Kevin Proctor ⁽²⁾	309,451	0.9	2.0

- (2) Mr. Caldwell and Mr. Proctor commenced their employment in 2021 and have until 2026 to meet the minimum ownership requirement.

TERMINATION AND CHANGE OF CONTROL BENEFITS

The following table summarizes the payments that would be received by each NEO pursuant to contractual provisions where the executive ceases to be employed by North West. The amounts calculated are based on compensation as at January 31, 2023. The provisions contained in the plan documents for the PSU plan and in the Original Option Plan and Amended and Restated Option Plan for termination and change of control apply to all NEOs.

The actual amount that each NEO could receive in the future as a result of termination of employment or change of control could differ materially from the amounts set forth as a result of a variety of factors, such as changes in Share price or base salary, timing of the termination or change of control, and the vesting and granting of additional Share awards. The following table also does not include any potential common law entitlements arising in the event of termination or change of control, or any amounts that may be agreed upon at the time of termination, or amounts paid at the discretion of the Board.

Notes

- (1) The amounts for all NEOs for retirement assume the NEO retires on or after the age of 55, and that they have been approved as a "Qualified Retirement" by the Board pursuant to the terms of these incentive plans.
- (2) The base salary, bonus and perquisite amount to be paid to Mr. McConnell upon termination without cause is pursuant to the terms of his employment agreement.
- (3) This amount reflects the amounts payable under the plan document for North West's PSU plan. The value of the PSUs is calculated by multiplying the number of qualified Share units by the fair market value as determined under the PSU plans (\$36.19) as at January 31, 2023. With respect to death or disability, the amounts are prorated as at January 31, 2023, pursuant to the terms of the PSU plan.
- (4) These amounts reflect the amounts payable under the Original Option Plan and Amended and Restated Option Plan. With respect to the amounts payable upon

Retirement, the amounts payable assume that all NEOs were approved for "Qualified Retirement" under the Original Option Plan and Amended and Restated Option Plan. The value of the options is calculated by multiplying the number of qualified options by the January 31, 2023, closing Share price of \$36.24, and subtracting from that amount the number of qualified options multiplied by the exercise price or declining strike price of each option.

- (5) The base salary, bonus and perquisite amount to be paid to Mr. Caldwell upon termination without cause is pursuant to the terms of his employment agreement.

EMPLOYMENT AGREEMENTS/OFFERS OF EMPLOYMENT
