This increased compensation will be given to hourly employees in the company's 30 stores for all hours worked between March 8th, 2020 and April 4th, 2020.

"We are very proud of the enterprising efforts of our employees in our stores and along our supply chain. Our employees have shown up and worked harder than ever to ensure that our shelves are stocked and that our stores are ready for business in rural Alaska," noted Dan McConnell, President, The North West Company International.
